The Diary of a Young Girl Anne Frank 2008 It is 1942 in Holland and the Germans have invaded. All Jewish people are frightened for their lives, so the Frank family hide. Life is dangerous but they hope for the best, until they are finally discovered. Anne Frank was a real person, and this is her diary.

The Diary of a Young Girl Anne Frank 2011-10-05 Anne Frank's The Diary of a Young Girl is among the most enduring documents of the twentieth century. Since its publication in 1947, it has been read by tens of millions of people all over the world. It remains a beloved and deeply admired testament to the indestructible nature of the human spirit. Restored in this Definitive Edition are diary entries that were omitted from the original edition. These passages, which constitute 30 percent

more material, reinforce the fact that Anne was first and foremost a teenage girl, not a remote and flawless symbol. She fretted about and tried to cope with her own sexuality. Like many young girls, she often found herself in disagreements with her mother. And like any teenager, she veered between the carefree nature of a child and the full-fledged sorrow of an adult. Anne emerges more human, more vulnerable and more vital than ever. Anne Frank and her family, fleeing the horrors of Nazi occupation, hid in the back of an Amsterdam warehouse for two years. She was thirteen when she went into the Secret Annex with her family. From the Paperback edition.

Anne Frank Anne Frank 1972 Traces the life of the young Jewish girl whose diary chronicles the years she and her family hid from the Nazis in an Amsterdam attic.

Anne Frank received a blank diary as one of her presents on June 12, 1942, her 13th birthday. She began to write in it on June 14, 1942, two days later. On July 5, 1942, Anne’s elder sister Margot received a call-up notice to report to a Nazi work camp in Germany, and on July 6, Margot and Anne went into hiding with their father Otto and mother Edith. They remained hidden for two years and one month. They were betrayed in August 1944. As a result, they were arrested and sent to Nazi concentration camps. Of the eight people, only Otto Frank survived the war. Anne died when she was 15 years old in Bergen-Belsen. The diary was discovered on the floor of the hiding place after the family’s arrest. The diary has since been published in more than 60 different languages. The book is included in several lists of the top books of the 20th century.
