

Cambridge Objective First

Objective First Certificate Audio CD Set (3 CDs)

Annette Capel 2008-02-14 This popular First Certificate course has been updated to prepare students for the new examination syllabus introduced from December 2008. A clear organisation and fresh approach have already made it a popular route to success at FCE in many countries: thirty short units provide thorough training in exam skills, solid language development, and lively class discussion. The course is written by experienced authors who have an in-depth knowledge of the FCE exam, and understand the needs of both students and teachers alike. The Audio CDs contain all the audio for the Student's Book.

The Routledge Handbook of Corpora and English

Language Teaching and Learning

Reka R. Jablonkai
2022-07-29 The Routledge Handbook of Corpora and English Language Teaching and Learning provides a wide-ranging and authoritative overview of the latest developments and innovations in how corpus approaches, corpus technologies, and corpus data can inform and transform English language teaching and learning. Featuring a broad range of international experts, the Handbook presents state-of-the-art scholarship and inspires new avenues for research focusing on six key areas: English language teaching and learning informed by language

corpora; corpora in syllabus and materials design; corpora and English for specific and academic purposes; learner corpora for English language teaching; data-driven learning; and corpora and corpus tools for language teaching. Unique to this pioneering volume, the authors cover key areas at the cross-roads of corpus research and English language teaching by drawing on cutting-edge corpus applications, methods, and pedagogical approaches, hence, bridging the research-practice gap in the field. This Handbook is a collection of novel contributions offering essential reading for those researching and studying English language teaching and learning through the application of corpus approaches.
