The Developing Person Through the Life Span Kathleen Stassen Berger 2005 The Developing Person Through the Life Span, Sixth Edition presents theory, research, practical examples, and policy issues in a way that inspires students to think about human development--and about the individual's role in the community and the world. Review the new edition, and you'll find Berger's signature strengths on display--the perceptive analysis of current research, the lively and personal writing style, and the unmistakable commitment to students. You'll also find a wealth of new topics--plus a video-based Media Tool Kit that takes the teaching and learning of human development to a new level.

Mastery Through Quizzing Stan Skrabut 2025-03-24 "Clear your desks. You have a quiz!"—Few phrases spark more anxiety in students. The tension, the stomach knots, the panicked glances around the room... We've all been there. But what if quizzing wasn't something to dread? What if it became the key to deeper learning, greater confidence, and real mastery instead? *Mastery Through Quizzing* isn't just about testing knowledge but transforming how we learn. Whether you're an educator, administrator, or instructional designer, this book will show you how to turn low-stakes assessments into powerful tools for engagement, retention, and long-term success. Discover how to: □ Shift from high-pressure exams to a growth-focused quizzing strategy that reduces anxiety and boosts confidence. □ Design questions that drive critical thinking, not just memorization. □ Leverage technology and test banks to make quizzes more effective and scalable. □ Implement a step-by-step *Mastery Quizzing Strategy* to help students achieve real understanding. Unlike traditional assessments that measure what students don't know, mastery quizzing helps them build knowledge step by step—reinforcing what they know and guiding them forward. With decades of experience in instructional technology and education, I've seen firsthand how this method can transform classrooms. I'm sharing the approach to help you move beyond outdated testing models and create a learning experience that works. It's time to rethink quizzing. Let's turn it from a source of stress into a stepping stone for mastery. Scroll up and grab your copy today!
