The Power of Your Words John Eckhardt 2026-01-06 Your miracle is voice-activated. That's not a metaphor. John Eckhardt has spent decades watching believers pray, fast, give, and stay stuck. Not because they lacked faith in their hearts. Because they never opened their mouths. In *The Power of Your Words*, best-selling author of *Prayers That Rout Demons* shows you why your confession is the most overlooked key to spiritual breakthrough and how to use it. This is not positive thinking. This is biblical authority. Job 22:28 says you shall decree a thing and it shall be established. The question is: what are you decreeing? Every day, your words are either reinforcing fear or releasing faith. They are either calling in heaven's agenda or confirming the enemy's lies. Most believers never realize they are sabotaging their own deliverance, healing, and breakthrough with the very words they speak under pressure. This book will show you how to change that. As you read, you will learn how to: Break agreement with fear, doubt, and unbelief that quietly cancel your breakthrough Speak God's Word with spiritual authority over your health, finances, and future Use positive confession and prophetic declarations to shift the atmosphere of your life Activate the power of the tongue to bring deliverance, for yourself and others Decree and declare with the faith of a king, not the language of a victim John Eckhardt draws from Scripture and 40 years of apostolic ministry to show you that faith is not only believed in the heart - it is released through the mouth. Taming the tongue is not enough. It is time to weaponize it. Your words already carry power. This book teaches you to use them on purpose.

International Handbook of Inter-religious Education Kath

Engbretson 2010-08-17 This Handbook is based on the conviction of its editors and contributing authors that understanding and acceptance of, as well as collaboration between religions has essential educational value. The development of this Handbook rests on the further assumption that interreligious education has an important role in elucidating the global demand for human rights, justice, and peace. Interreligious education reveals that the creeds and holy books of the world's religions teach about spiritual systems that reject violence and the individualistic pursuit of economic and political gain, and call their followers to compassion for every human being. It also seeks to lead students to an awareness that the followers of religions across the world need to be, and to grow in, dialogical relationships of respect and understanding. An essential aim of interreligious education is the promotion of understanding and engagement between people of different religions and, therefore, it has great potential to contribute to the common good of the global community. Interreligious education has grown from the interfaith movement, whose beginning is usually identified with the World Parliament of Religions held in Chicago in 1893. This was the first time in history that leaders of the eastern and western religions had come together for dialogue, and to consider working together for global unity.

Thou Shalt Decree and Declare Corrine S. Payne 2021-04-22 I shall decree and declare a thing, and it shall be established unto me. God's

Word is alive and living, and it has power to bring things into existence. As we live and grow and apply the Word of God to our lives, we become more like Christ in our daily walk, talk, and living. As we continue to abide in the Word and allow the Word to abide in us, we can ask anything, and it shall be done for us. Every believer shares God's DNA based on 2 Peter 1:3. To decree and declare a thing is one way to establish the heart with the life-changing Word of God. As we grow to maturity in Christ, we pull of the weakly and beggarly things of this world, and we are cloth with God's divine nature. As believers, we have a mandate to grow in our faith and continue in the things of God.

Declarations and Decrees Pastor Janet Lamar 2013-02-24 This was the second book that was conceived December 2012, during the lowest, loneliest stage in my life. This book was derived from my daily verbal Declarations & Decrees that I would speak after I would finish praying. The various topics are based upon different situations that Christians encounter. This book is simply a tool to be used to guide the Christians on how to make Declarations & Decrees over their lives, family, business, careers, etc. According to the book of Proverbs, known as the book of Wisdom- Life and Death is in the power of your tongue. It depends on what the individual is speaking, either they will speak life according to the word of God, or death based on the situation. (Job 22:2 8 KJV) states - You will decree a thing and it will be established for you and light will shine upon your ways" and (Heb 11:3 NASB), "By faith we understand that the worlds were prepared by the word of God, so that what is seen was not made out of things which are visible" Regardless of your circumstances, you have to Decree & Declare the word of God until it manifest. In order to receive the best results from this book, you have to purchase the "Prayers that Shake Heaven" book. Booth books contain the same topics to be used in conjunction with each other.

Speaking God's Language Eun Schweizer 2021-07-17 The word decree means an official order issued by a legal authority. When God made this decree through David, He established an executive order that Jesus would be His Son. Someone may ask, but wasn't Jesus already God's Son? Why did God have to make a decree? And more importantly, what does making decrees have to do with us today? We are going to look at the power of the decree in this book. It is necessary to understand the power of words if we are going to understand how God's kingdom operates and how we were designed to function in it. This book will show from scripture our right to speak as those under the authority of Christ and exercising the authority of Christ. We will see how identity in Christ places us in the position. We will also look at our heritage as those commanded to speak the word of the Lord and see His hand move because of it. This edition contains decrees of our identity in Christ. Because our identity in Christ is paramount to our making decrees, this section of decrees of identity is included in this book.
