To bring into existence by shaping, modifying, or putting together material; construct. Make a dress; made a stone wall. You can use make with a wide range of nouns to indicate that someone performs an action or says something. For example, if you make a suggestion, you suggest something. GNU Make (short gmake) is the standard implementation of Make for Linux and macOS. [16] It provides several extensions over the original Make, such as conditionals. The meaning of MAKE is to bring into being by forming, shaping, or altering material : fashion. How to use make in a sentence. Feb 26, 2023 · GNU Make has many powerful features for use in makefiles, beyond what other Make versions have. It can also regenerate, use, and then delete intermediate files which need not be

saved. The noun make is either a type or a fancy card move, but as a verb, it has tons of uses, either related to forming things (you made a pie!), or forcing things (you made me make a pie). Feb 26, 2023 · In GNU make, the feature of remaking makefiles makes this practice obsolete—you need never tell make explicitly to regenerate the prerequisites, because it always regenerates any makefile ...
