

Nephilim Trilogy

Gathering Tempest Eric O'Connor 2015-04-23 The Nephilim, born from a forbidden union between fallen angels and human women, were an abomination to God. They were gigantic, immensely strong, and very war-like. Nephilim is a trilogy, a story of redemption. In book two, Ray Bennett travels to Dallas, a city from his recurring nightmares, with his old football buddy Charles Mason, who managed to become one of the worlds most powerful men since he last saw him. Charles attempts to treat Ray to a weekend of excitement and debauchery, but Rays thoughts keep returning to the woman and little boy he met and mysteriously fell in love with the day before. Violence in Dallas, and around the world, are escalating quickly. The Nephilim travels to Dallas to prepare for a ritual to open a doorway to hell and release Satan. Ray meets a strange old man traveling with a young couple. This man tells Ray his friend is more than who he says he is, and that his nightmares are visions preparing him for battle. He has been chosen by God as a warrior to stand against a half-demon giant who walked the earth in biblical days.

Nine Ages of the Nephilim Willem McLoud 2025-09-07 NINE AGES OF THE NEPHILIM provides a brief and concise history of the Nephilim, an intriguing and fascinating topic of great interest to an ever-growing audience. The story of the Nephilim is for the first time told as one continuous account that stretches from the Antediluvian and Postdiluvian Ages right up to our present day where it is associated with certain bloodlines and appears in the mythic literature of certain secret societies. What makes this short volume unique is that the story of the Nephilim is divided into Nine Great Ages that stretch across all the many centuries and millennia of world history, with special focus on the periods when they played a significant role in world events. The migrations and movements of the Nephilim and their principal bloodlines and dynasties are carefully followed through the many ages of world history, with concluding remarks on the Return of the Nephilim. The biblical Nephilim tradition is studied in a scholarly albeit accessible fashion as scholars like Michael S. Heiser have done by utilising extra-biblical traditions such as the Jewish apocalyptic Enoch tradition. In addition, a wide range of other ancient traditions from Sumer and Akkad, Canaan, the Mediterranean Region and Europe are also carefully investigated and incorporated into the story. As a concise but nevertheless fascinating history of the Nephilim, NINE AGES serves as a prologue to The Nephilim trilogy as well as an introduction to the topic in general, providing a fresh and altogether different angle on this enthralling theme. Even though NINE AGES tells an uncomplicated and plain-spoken story, it does constitute a radical reframing and reformatting of our knowledge about the Nephilim. Anyone even remotely interested in the Nephilim and the history of religion will find this book captivating and absolutely worth reading.

Darkness Reigns Eric O'Connor 2015-12-19 Gregor Nephal, a repentant fallen angel forgiven of his terrible crime, must complete one final task before he can be brought back to be with God. He must destroy Taitanoth, the last angel/human hybrid before this giant can complete the task of using an ancient artifact to open a doorway to hell. Taitanoth declares war on the city of Dallas and releases his most powerful psychic weapon, a wave of pure rage that is capable of destroying the minds of

humans, turning them into rabid rioters and soulless zombies, attacking anyone they can get their hands on. Ray, Isao, and Sam, three men chosen by God as warriors to stand with Gregor, travel to Dallas to join the angel and confront their destiny. Through the millennia, Gregor has lost most of his great powers while Taitanoth remains as dangerous as ever. The small group must depend on each other for survival as they fight their way through throngs of murderous mobs and dark, other-worldly creatures before the Nephilim can complete a ritual that will release Satan from hell.

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been "Spiritualized" for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...

sentient beings in the cosmos. Are you ready to uncover the truth? Goth Chic Gavin Baddeley 2006 *Goth Chic* is the first book to properly explore Gothic culture in the modern world. The Strong Delusion John W. Milor 2017-02-20 John Milors fascinating work is based on the Bible telling of a powerful deception that will overshadow the Earth, a deception so intense that only those with a genuine love relationship with God will be able to endure it. Events from the authors own life, including a series of supernatural encounters, have revealed some key components of this strong delusion, which he believes will initiate a grand display of open contact with extraterrestrials. It will also involve the global rise of Islam. Its no mistake that the faiths of four billion people (Christians and Muslims) include two versions of prophetic visions that are nearly identical, yet they represent opposite sides of a global conflict that will end in the Battle of Armageddon. This book delves into myriad topics, including: Encounters with angels, otherworldly beings, and Jesus Christ; Encounters with demons, ghosts, nephilim, jinns, and mythical creatures; The Bibles explanation of ET good guys and bad guys; The Quran and Hadiths ET connection: Was Muhammad abducted as a boy, and operated on? Was the angel that abducted Muhammad really Gabriel? Were the mysterious jinns of Islam actually surviving nephilim? Is the Quran and Hadiths ideology specifically tailored for the Antichrist? These and other topics harken to ancient times and peer into a not-too-distant future, when the author believes we will see a return to the days of Noah, as prophesied by Jesus.

Rungs of Disclosure L. A. Marzulli 2024-10-15 Is this the coming Great Deception? By the end of this book, you will reveal the truth about extraterrestrial presences on earth—that they are real, burgeoning, and not going away. You also will understand what the Biblical perspective on this phenomenon is and is not. They've been here for thousands of years, making their presence known in the shadows. They might be seen by a lonely motorist on a deserted road late at night or by a frightened and confused husband in the bedroom he is sharing with his wife. Perhaps the most disconcerting part of this phenomenon boils down to this question: Has the government been aware of their presence all along and is covertly working with them toward some secret end? In *Rungs of Disclosure*, what once was fringe is now reality! While reading, you'll meet regular people—just like you—who have encountered something beyond their ability to explain. You'll also hear from people of great faith and deep religious belief who continue to have these strange and deeply unsettling encounters. L. A. Marzulli explores these ongoing incidents to discover the answers to these questions: Who are "they"? What do they want? And why are they here? Can you handle the truth? Read this book—if you dare.

DOORWAYS ERIC O'CONNOR 2014-10-25 The nephilim, born from a forbidden union between fallen angels and human women, were an abomination to God. They were gigantic, immensely strong, and very warlike. Nephilim is a trilogy and is a story of redemption. In book one, the last and most powerful of all the nephilim is released from a prison where it was held for five thousand years. One remaining fallen angel has repented of his sins and now must face this giant in a weakened state before he can be brought back into God's presence. Before, he had other repentant fallen angels to stand with him. Now he only has three humans chosen by God to fight at his side. A weapon created by angelic hands to destroy the nephilim can also be used to open doorways into other worlds, which would release onto earth terrible creatures from dark and violent ecosystems. The nephilim pursues the weapon in order to open a doorway into hell and release Satan as a physical being. The giant leaves death and destruction in its path, while one of the human warriors, a despairing widower who finds love again, fights to protect the ones he loves from the swarm of released creatures.

The Land of Light C. Knedlik 2016-08-08 When the cellcom network shuts down on May 7, 2060, an economic catastrophe of unprecedented scale engulfs the globe. Amid the chaos, the world's largest corporation sponsors the founding of a new society, seemingly as an experiment in social engineering. For thirty-six years, as civilization crumbles around it, this tiny remnant of the human race lives in perfect peace and harmony in the Land of Light. The society's leader, Farukh al-Qasim, fears peace cannot last without a fight. A world-renowned archaeologist before the collapse, Qasim has discovered a cache of ancient manuscripts that tell of this very future—and its dark end at the hands of the Nephilim. But there is hope. These same sources point also to a child, a savior, who will possess a great power lost long ago. If he is found, perhaps the Land of Light, perhaps humanity itself, might endure.

Nephilim: Legio Trilogy Book 1 K.B. Emerson 2015-02-27 Eons before man's appearance on earth, a war waged between the Host of Heaven and the Fallen Angels who followed Satan in his rebellion against God. The Fallen seduced women, and the cataclysmic results were their children known as the Nephilim, a terrible mix of human and angel DNA that can only be described as perverse monstrosities. In the final days before the end of ages, two ancient armies, consisting of both human and angel, emerge from the shadows. Wielding weapons forged in heaven as well as on earth, the final war between good and evil begins. The outcome rests on Vin Angel and Parabellum, a secret and powerful group specializing in counter-terrorism. In *Nephilim, Book 1* of the *Legio Trilogy*, biblical characters come to life, and their stories take on new and applicable meaning. Legends become reality, and the chosen few who are allowed to see beyond the veil between reality and the spiritual realm realize they are the vanguard separating mankind and the very powers of hell.
