Touch, touch, touch, touch, touch Thought about you way too much,  
much, much, much, much Over, over thinking us, us, us, us 'Cause  
you ... 1. To touch someone or something. 2. To be or come into contact:  
Don't let the live wires touch. If you are in touch/out of touch with a  
subject, activity, or situation, your knowledge about it is recent /not  
recent: He's not really in touch with what young people are interested in.  
Touch definition: To cause or permit a part of the body, especially the  
hand or fingers, to come in contact with so as to feel. The meaning of  
TOUCH is to bring a bodily part into contact with especially so as to  
perceive through the tactile sense : handle or feel gently usually with the  
intent to understand or appreciate. Your sense of touch is your ability to  
tell what something is like when you feel it with your hands. The  
evidence suggests that our sense of touch is programmed to diminish  
with age.
