

A Practical Approach To Effective Litigation

You describe people as practical when they make sensible decisions and deal effectively with problems. Practical refers to something that is focused on actual use or practice, rather than being abstract or theoretical. It involves or is concerned with actual application, use, or action. A stapler is a practical object — it has a use. A hand-crocheted stapler cozy designed to keep a stapler warm at night? Not practical at all. If you say that a person is practical, you mean the person behaves in ways that relate more to the realities of the world than to ideas or desires: PRACTICAL definition: of or relating to practice or action.
