[You're in the Right Place](#) Colette Baron-Reid 2025-06-24 An updated edition of Uncharted: The Journey Through Uncertainty to Infinite Possibility. Take a powerful journey of self-discovery and gain practical tools for manifesting your desires and co-creating a new reality. You're being called forth into uncharted territories—away from the familiar ways that don't work anymore—to discover yourself and the infinite potential for your life. Your challenge is to release your fears and surrender fully to Spirit, trusting that no matter what, you are where you're meant to be. It's in these as-yet-undiscovered places within us that we come to recognize our authentic selves, what we can be, and what we can co-create with Spirit. We need a different kind of map—not one that tells us where we've been, but one we fill in as each new experience changes us into who we need to be to live our destiny. In this book, you'll learn to draw your own Map of the soul as "spiritual cartographer" Colette Baron-Reid guides you through the five interconnected realms of co-creation and self-evolution. You'll connect to your intuition in the Realm of Spirit and meet your ego in the Realm of Mind. In the Realm of Light, you'll experience transformation as you illuminate the darkness, reclaim lost parts of yourself, and reprogram your subconscious. Then you can consciously direct the forces influencing you in the Realm of Energy, before seeing the results of your self-evolution manifested in the

material world in the Realm of Form. At every step, you learn to harness your personal power, break patterns of suffering, and make friends with uncertainty as you venture into the uncharted . . . where magic happens.

Uncharted Colette Baron-Reid 2018-01-16 "Uncharted is a smoking hot Harley ride through the wonders of your soul's journey." — Christiane Northrup, M.D., New York Times best-selling author of Goddesses Never Age Where are we going? How will we get there? In a world of uncertainty, most of us don't really know. Our challenge is to sail into uncharted waters—away from the familiar ways that don't work anymore—to discover ourselves and the infinite potential for our lives. It's in these as-yet-undiscovered places within us that we come to recognize what we can be and what we can co-create with Spirit. If we try to create guided only by the old, familiar map of our lives, what we create won't be authentic to who we are becoming; we'll just be doing the same thing over and over. As intuitive counselor and "spiritual cartographer" Colette Baron-Reid explains, we need a different kind of map—not one that tells us where we've been, but one we fill in as each new experience changes us into who we need to be to live our destiny. This new map is a map of the soul. In Uncharted, you'll learn to draw your own map of the soul as Colette guides you on an inward journey through five interconnected realms. First you'll get oriented in the Realm of Spirit, your "home" that connects the other four. Then you will do the work of self-evolution and co-creation in the Realms of Mind, Light, Energy, and Form. In the Realm of Mind, you experience your consciousness intermingled with that of all Consciousness. In the Realm of Light, you illuminate the darkness and experience transformation as you reclaim lost parts of yourself. In the Realm of Energy, you consciously direct the forces influencing you. In the Realm of Form, you see the results of your self-evolution manifested in the material world. At every step, you learn to harness your personal power and turn fear into possibility as you venture into the undiscovered places where magic happens.
