**ISE Accounting for Governmental and Nonprofit Entities** Jacqueline L. Reck

2018-01-23 For more than 60 years, *Accounting for Governmental & Nonprofit Entities* has been the leader in the market. It is a comprehensive governmental and not-for-profit accounting text written for students who will be auditing and working in public and not-for-profit sector entities. Originally published in 1951 and written by Professor R. M. Mikesell, this book and the many subsequent editions revised by Professors Leon Hay, Earl Wilson, Susan

Kattelus, Jacqueline Reck, and Suzanne Lowensohn have given generations of instructors and students a comprehensive knowledge of the specialized accounting and financial reporting practices of governmental and not-for-profit organizations, as well as an understanding of how those organizations can better meet the information needs of a diverse set of financial statement users and decision makers. The vision of these original authors continues to be reflected in this 18th edition, and their strategy of providing a large and innovative set of instructional support materials prepared and tested in the classroom by the authors continues to be a guiding principle today. The current author team brings to this edition their extensive experience teaching government and not-for-profit courses as well as insights gained from their professional experience, scholarly writing, and professional activities. The result is a relevant and accurate text that includes the most effective instructional tools.

Governmental and Nonprofit Accounting Robert J. Freeman 1999 *Governmental and Nonprofit Accounting Sixth Edition* provides a better balance between theory and practice than other texts, with the most up-to-date coverage. It provides students with a thorough basis for understanding the logic for and nature of all the funds and account groups of a government, with a unique approach that enables students to grasp the entire accounting and reporting framework for a government before focusing on specific individual fund types and account groups.\* NEW - Includes completely updated

content: \* all GASB standards through GASB Statement 32 \* the latest FASB and AICPA guidance on accounting and reporting for not-for-profit organizations \* the latest revisions of the OMB and AICPA single audit guidance \* the latest changes in federal government accounting and reporting \* NEW - Provides at least one research problem at the end of each state and local government chapter requiring practical application of the principles and standards learned in these chapters. Use of the Internet is encouraged for the completion of these problems, exposing students to the vast resources pertinent to the government and not-for-profit sector that are available on-line. \* **NE Governmental and Nonprofit Accounting** Robert J.
