Black Knight: Ritchie Blackmore Jerry Bloom 2009-11-05 Dubbed the 'man in black', it's time to look beyond the myth and the rumours of this most charismatic but misunderstood of rock Guitarists. Ritchie Blackmore's early days saw him mixing with colourful characters like Screaming Lord Sutch, Joe Meek and Jerry Lee Lewis. Then he became a defining member of Seventies legends Deep Purple, creating the rock anthems 'Black Night' and 'Smoke On The Water'. Over the years Blackmore's moodiness and eccentric behaviour, his three marriages and his clashes with the law have earned him a reputation as one of rock's most abrasive figures. Yet there are many unexpected sides to this complex man. Black Knight has been written and researched by Jerry Bloom, a fan who first met Ritchie more than twenty years ago and has followed his varied career ever since. The result is a biography rich in detail and full of surprising insights.

Sail Away: Whitesnake's Fantastic Voyage Martin Popoff 2015-02-01 In the first ever full biography of Whitesnake, top music writer Martin Popoff tells the tale of rock legend David Coverdale from his Deep Purple roots to the two distinct incarnations of his über-creation. Whitesnake began life as a UK based blues rock outfit, until the lad from England's chilly east coast upped sticks to America's sunny west coast in search of fame, fortune, big videos and even bigger hair. He found them all, and 1987's self-titled album went platinum eight times in the US alone, before their bright star waned in the face of dowdy grunge. In his 45th

book, Martin has interviewed 30 major characters - including Coverdale - to piece together the band's convoluted history. He traces the hirings and firings, the splits and reunions, the image changes which evolved over time enabling Coverdale and co. to stay ahead of the pack for over five decades. If you've rocked out to anthems such as "Here I Go Again", "Fool For Your Loving", "Still Of The Night", or "The Heart Of The City", you'll want to read about the man and the band that created them.
