Murder on the Backswing ReGina Welling 2018-03-20 Sister witches Margaret and Clara Balefire are starting to wonder if they should have opened a detective agency instead of an antique shop. Taylor Dean was the worst mailman to ever put on a uniform. Everyone in the sleepy hamlet of Harmony thought so, but that didn't mean he deserved to get bashed in the head with a golf club. For Mag Balefire, the timing of his untimely death couldn't have been worse since he'd been spotted arguing with her on the morning of his murder. For the second time since moving to the sleepy hamlet of Harmony, Clara and Mag Balefire find themselves involved in a murder investigation—only this time, catching the killer means clearing the Balefire name. As if trying to catch a murderer wasn't enough, the mischievous elderly leader of the local coven seems intent on exposing magic to the entire town. However, things aren't always as they seem when it comes to ancient magic, and those powerful enough to wield it. If you like magic, murder, and spunky old witches, then join the Balefire sisters as they stalk the local country club and build a love nest for perilous pixies in order to clear their good name. This is a full-length, humorous witch cozy mystery novel. Books in this series 1. Murder Above the Fold 2. Murder on the Backswing 3. Murder Below the Waterline 4. Epic and Saga: Beowulf 1910 This volume contains a collection of English epic poems (lengthy narrative poems) and a saga (prose stories and histories). The epic poem Beowulf is set in Scandinavia in the 6th century. Beowulf, a hero of the Geats, comes to the aid of Hrothgar, the king of the Danes, whose mead hall in Heorot has been under attack by a monster known as Grendel. After Beowulf slays him, Grendel's mother attacks the hall and is then also defeated. Victorious, Beowulf goes home to Geatland and becomes king of the Geats. Fifty years later, Beowulf defeats a dragon, but is mortally wounded in the battle. After his death, his attendants cremate his body and erect a tower on a headland in his memory. The Song of Roland is an 11th-century epic poem based on the Battle of Roncevaux Pass in 778, during the reign of Charlemagne. The Destruction of Da Derga's Hostel is an Irish prose narrative recounting the birth, life, and death of Conaire Mór son of Eterscéal Mór, a legendary High King of Ireland, who is killed at Da Derga's hostel by his enemies when he breaks his geasa. The Story of the Volsungs and the Niblungs is an epic poem that tells the tragic story of the Norse hero Sigmund and his son Sigurd.

Balefire Kenneth William Goddard 1984 Huntington Beach is a quiet haven that has become the scene of a series of brutal, unexplained killings that have stunned the local citizens--and confused and angered the police--because the killings are aimed at them. Because the murders aren't locals, and it's not just one little town that's at stake, but the security and peace of an entire nation.

Fall of the Galactic Empire Rogue Planet Press 2015-11-25 In a distant future, the Galactic Empire stretches from one end of the Milky Way to the other. Its capital lies on a soulless, metallic world-city close to

Galactic Center, its fortress planets guard every spiral arm. At its heart, its citizens dwell in sybaritic indulgence, their lives eased by luxuries imported from the outer worlds whose populations toil as slaves beneath the stinging electro-lash of the overseers. For a million years the Empire has been expanding, but its star cruisers can venture no further until a spacedrive is invented that can cross the unimaginable gulfs between this galaxy and Andromeda. Now the Empire begins to turn inward. The ensuing revolt will set the Galaxy at war. Does this spell the end of Empire? When it is gone, what will take its place? Freedom? Or a tyranny far worse? For now, all the citizens of the galaxy can do is prepare themselves for the FALL OF THE GALACTIC EMPIRE...

Legendary Locals of Huntington Beach Chris Epting 2015-03-02 For over 100 years, Huntington Beach, a.k.a. "Surf City, USA," has come to represent the true beach culture of Southern California. Originally called Pacific City, it was when railroad magnate Henry Huntington first ran his train line down in 1904 from Los Angeles, approximately 40 miles north, that the then-quiet beach town took on the name that made it famous around the state and around the world. In 1914, the legendary George Freeth put on a surfing exhibition the day the city's vaunted concrete pier was opened, which christened Huntington Beach as a soon-to-be surfing mecca. It became a boomtown after oil was discovered in 1920 and, several decades later, morphed once again into a cradle of aerospace engineering when companies such as Boeing arrived. Throughout its tumultuous and dramatic history, Huntington Beach has always boasted a cast of colorful and profound characters. From the first mayor, Ed Manning, to Medal of Honor-recipient Chris Carr, from the Zamboni family (who invented the ice-cleaning machine) to baseball star Jeff Kent: the list is almost endless. But it is not just professional athletes, actors, and rock stars; it is the teachers, crossing guards, merchants, and activists that give Huntington Beach its well-earned reputation as one of the most interesting and charismatic cities in the state.

Balefire Shann Ray 2014 "Shann Ray brings to American poetry a voice that is at once rugged and unapologetically vulnerable. In these poems, Ray writes with the same incisive eye that has won him so much praise for his fiction, but with an even sharper ear. Like any decent bluesman, Shann knows when to wail, when to whisper, and when to let the silences do their own damn work. Here, folks, is an able and true 'vessel for the song of this world.'"--John Murillo, author of *Up Jump the Boogie* **Nothing Gold Can Stay** Mary J. Carter 2023-10-02 On the northern edge of Fairwell, beneath the ever-flowing clouds, lies a ruin known as Cairry Hollow... So begins this tale of a Halloween Ball and bitter revenge. A spiteful woman orders the destruction of an estate cottage that has become a shelter for forest life. In retaliation, two ravens and a demon spell a wretched scarecrow into a handsome rogue. Christened Adrian Bramwell, his mission is to seduce the woman's daughter Civette, with the goal of Nature's creatures taking over the estate mansion as their new sanctuary. Yet between the dawn and the dusk of his one day on earth, their creation begins to feel, to guess, and to suffer. Will Adrian cold-heartedly lure Civette away, or will he fall in love?

Towers of Midnight Robert Jordan 2011-01-31 The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine! With Robert Jordan's untimely passing in 2007, Brandon Sanderson, the New York Times bestselling author of the Mistborn novels and the Stormlight Archive, was chosen by Jordan's editor—his wife, Harriet McDougal—to complete the final volume in The Wheel of Time®, later expanded to three books. In Towers of Midnight, the thirteenth novel in Jordan's #1 New York Times bestselling epic fantasy series, the Last Battle has truly begun. The seals on the Dark One's prison are crumbling. The Pattern itself is unraveling, and the armies of the Shadow have begun to boil out of the Blight. The sun has begun to set upon the Third Age. And trials by fire await those fighting against the darkness that encroaches from their enemies—and within themselves... Perrin Aybara is now hunted by specters from his past: Whitecloaks, a slayer of wolves, and the responsibilities of leadership. All the while, an unseen foe is slowly pulling a noose tight around his neck. To prevail, he must seek answers in Tel'aran'rhiod and find a way—at long last—to master the wolf within him or lose himself to it forever. Mat Cauthon must once again face the creatures beyond the stone gateways, the Aelfinn and the Eelfinn. He had hoped that his last confrontation with

them would be the end of it, but the Wheel weaves as the Wheel wills. The Tower of Ghenjei awaits, and its secrets will reveal the fate of a friend long lost. Rand al'Thor, the Dragon Reborn, arrives at the White Tower with a startling revelation for Egwene al'Vere.
