The Most Beautiful Girl in the World Sarah Banet-Weiser 2023-04-28 Sarah Banet-Weiser complicates the standard feminist take on beauty pageants in this intriguing look at a hotly contested but enduringly popular American ritual. She focuses on the Miss America pageant in particular, considering its claim to be an accurate representation of the diversity of contemporary American women. Exploring the cultural constructions and legitimations that go on during the long process of the pageant, Banet-Weiser depicts the beauty pageant stage as a place where concerns about national identity, cultural hopes and desires, and anxieties about race and gender are crystallized and condensed. The beauty pageant, she

convincingly demonstrates, is a profoundly political arena deserving of serious study. Drawing on cultural criticism, ethnographic research, and interviews with pageant participants and officials, *The Most Beautiful Girl in the World* illustrates how contestants invent and reinvent themselves while articulating the female body as a national body. Banet-Weiser finds that most pageants are characterized by the ambivalence of contemporary "liberal" feminism, which encourages individual achievement, self-determination, and civic responsibility, while simultaneously promoting very conventional notions of beauty. The book explores the many different aspects of the Miss America pageant, including the swimsuit, the interview, and the talent competitions. It also takes a closer look at

some extraordinary Miss Americas, such as Bess Myerson, the first Jewish Miss America; Vanessa Williams, the first African American Miss America; and Heather Whitestone, the first Miss America with a disability. Sarah Banet-Weiser complicates the standard feminist take on beauty pageants in this intriguing look at a hotly contested but enduringly popular American ritual. Tell 2002

Mischievously Mine Leigh W. Stuart 2019-05-21
In this contemporary romance, a small-town contest with a cash prize rekindles a childhood prank war between a reporter and her handsome rival. Only one can come out on top... Sandra Kelly has a take-no-prisoners policy when reporting the local news—and for getting what she deserves. For instance, first place in the Townsperson of Year contest, and a promotion at the station. Except, one man stands in her way. Cooper Hall needs to win the upcoming Townsperson contest for reasons of

his own—and a certain sexy journalist won't stop him. No prank is too complicated, no scheme too elaborate, and her red lace underwear will not distract him. Much. They signed a peace treaty years ago and swore they'd never speak of the pranks again. But when they both set their eyes on the same prize, their prank war rekindles. This time, they aren't stopping at tighty-whities on flag poles and stuffed tarantulas, either. Love has no place in war, and these two enemies play to win. Mother, Daughter, Sister, Bride Joanne

Bubolz Eicher 2006 In a compelling exploration of all things female, *Mother, Daughter, Sister, Bride* celebrates the defining connections among women and honors their differences. Each chapter reveals the actions through which a woman connects with herself, with her family, with members of her community, and with other women--from quinceanera parties commemorating a Hispanic girl turning 15, to pre-wedding henna ceremonies in the Middle East, where the hands and feet of the bride and her party are lavishly painted for her special day. Readers also will learn about such American traditions as the debutante ball, as well as the coming of age rituals of Mende girls in Sierra Leone. Gorgeous photographs from the National Geographic archive portray these women and their customs across time and around the world. Remarkable stories and anecdotes from anthropologist Joanne Eicher complement the profiles written by Lisa Ling, who as host of the weekly television program

National Geographic Explorer, has traveled the world, observing and documenting rituals both ancient and emerging, from her exceptional perspective as a journalist. Together these accomplished authors provide a fascinating look at the historical, cultural, emotional, and personal impact of women's rituals and ritual practices. Provoking a range of emotions--reverence, sadness, joy, and shock--Mother, Daughter, Sister, Bride puts women in perspective in the modern world, in multiple situations and on all levels.

2022-07-05 The first in-depth look at how women have shaped the history and legacy of Indiana University. Women first enrolled at Indiana University in 1867. In the following years they would leave an indelible mark on this Hoosier institution. However, until now their

stories have been underappreciated, both on the IU campus and by historians, who have paid them little attention. Women at Indiana University draws together 15 snapshots of IU women's experiences and contributions to explore essential questions about their lives and impact. What did it mean to write the petition for women's admission or to become the first woman student at an all-male university? To be a woman of color on a predominantly white campus? To balance work, studies, and commuting, entering college as a non-traditional student? How did women contribute to their academic fields and departments? How did they tap opportunities, confront barriers, and forge networks of support to achieve their goals? Women at Indiana University not only opens the door to a more inclusive and accurate understanding of IU's past and future, but also offers greater visibility for Hoosier women in our larger understanding of women in American higher education.

Anatomy of Beauty Pageants Gaudencio C. Callanta (Jr.) 2017-04-12 The book is divided into three parts. The first one contains the most common pageant questions and answers. I've listed down the popular pageant questions of all time, sample answers and some tips and guidelines to deliver a winning answer. It was a conscious choice to put it on the first part, for I know that the Q&A has always been trivial and puzzling to most candidates. I would like to emphasize again that the answers here are not meant to be memorized nor could it guarantee a candidate's chances of winning. These are but sample answers which I fashioned on how my observation of what the judges and audience liked in past pageants.
