Contemporary Business Boone 2013

Contemporary Business Louis E. Boone 2014-07-29 Boone, Contemporary Business, 1st Canadian Edition, Contains the most important introductory business topics that give students the perspective they need to understand how a business works, whether it's a multinational company, or a single owner consulting firm.

Comprehensive, engaging, and offering the most current resources, Contemporary Business is based on the much-used 14th American edition which has been read by 2 million students. While still covering the traditional areas of an Intro to Business course, the text also takes a contemporary approach by bringing in recent real life examples that were suggested by our student contribution group, and that are interesting to first year university and college students. This text gives students the business language and study tools they need to feel confident in becoming successful business majors, and will get them excited about their future careers.

Contemporary Business Louis E. Boone 2011-07-26 Contemporary Business 14th Edition gives students the business language they need to feel confident in taking the first steps toward becoming successful business majors and successful business people. With new integrated E-Business context throughout the text, it provides a new approach. Another addition is the "Green Business" boxes in every chapter to provide student's with more Green Business information. All of the information provided is put together in a format easy for all students to understand, allowing for a better grasp of the information.
