Treasure Hunters: The Greatest Treasure

Hunt James Patterson 2023-05-29 In the finale of James Patterson's bestselling series, the Kidds compete for fame and glory—but can they solve a mystery, restore their family name and uncover the biggest treasure yet? Bick, Beck, Storm, and Tommy Kidd have uncovered and rescued some of the world's greatest treasure, without ever seeking out fame and glory. So they aren't happy when the Collier Kids (as in Nathan Collier, the Kidds's nemesis) start treasure hunting for the camera, more focused on looking good and selling ads for their streaming show than actually recovering treasure. When the Kidds are invited to compete with the Colliers for the title of "The World's Greatest Treasure Hunting Kids," they jump at the chance to show the world what real treasure hunting looks like. But with rumors swirling of a family mistake made by the Kidds' great-grandfather years ago, the Kidds discover that fame and glory aren't the only things on the line. Will they be able to solve the mystery, restore their family name, and recover their biggest treasure haul yet?

Inside Out Nyla V. 2018-10-22 *Inside Out* joins author Nyla V. at the lowest point in her life. She begins writing a journal as the only way she knows how to attempt to deal with the pain she's experiencing. In her first layer of journal entries, Nyla details her descent into utter hopelessness while loving an addict she hopes will overcome his terrible ways. In her second layer of journal entries a year later, she demonstrates progress in new habits of self-love and care, showing the drastic difference in her overall well-being. Nyla waits three more years to add a third layer of journal entries, revealing healing through time—the process, the cycles, the setbacks, and the triumphs. In this memoir, Nyla drops any cloaks of shame within her for the sake of truth as she poetically details experiences such as: loving a toxic person; struggling with depression, anxiety, and with stigma; being suicidal; catharsis; and the building of self-love in order to overcome it all. Through deeply personal and honest prose and poetry, *Inside Out* offers an exploration of self and meaning in

life.
