Cambridge English Empower Upper Intermediate Student's Book Adrian Doff 2015-02-12 Cambridge English Empower is a general adult course that combines course content from Cambridge University Press with validated assessment from the experts at Cambridge English Language Assessment. The Upper Intermediate Student's Book gives learners an immediate sense of purpose and clear learning objectives. It provides core grammar and vocabulary input alongside a mix of skills. Speaking lessons offer a unique combination of functional language, pronunciation and conversation skills, alongside video filmed in the real world. Each unit ends with a consolidation of core language from the unit and focuses on writing within the context of a highly communicative mixed-skills lesson. This version of the Student's Book does not provide access to the video, assessment package and online workbook. A version with full online access is available separately.

The Oxford Handbook of Law and Politics Keith E. Whittington

2010-06-11 The study of law and politics is one of the foundation stones of the discipline of political science, and it has been one of the most productive areas of cross-fertilization between the various subfields of

political science and between political science and other cognate disciplines. This Handbook provides a comprehensive survey of the field of law and politics in all its diversity, ranging from such traditional subjects as theories of jurisprudence, constitutionalism, judicial politics and law-and-society to such re-emerging subjects as comparative judicial politics, international law, and democratization. The Oxford Handbook of Law and Politics gathers together leading scholars in the field to assess key literatures shaping the discipline today and to help set the direction of research in the decade ahead.

Cambridge English Empower for Spanish Speakers B2 Teacher's

Book Lynda Edwards 2018-02-28 Cambridge English Empower for Spanish Speakers combines course content from Cambridge University Press with validated assessment from the experts at Cambridge English Language Assessment, and offers specific help for Spanish speakers. The B2 Teacher's Book offers detailed teaching notes for every lesson of the Student's Book. It also includes extra photocopiable activities, keys to exercises and extra teaching notes. Special 'Grammar Plus' pages give students extra practice of the main grammar areas from the Student's Book.

Silencing Refugees' Voices in Educational Practices Menşure Alkiş

Küçükaydin 2024-11-11 This book foregrounds silenced voices by correlating refugee experiences with educational practices, while questioning how we address the educational rights of individuals affected by conflicts and wars. Accordingly, the book presents a novel perspective within the field of education. Within the context of the most prevalent educational instruments, textbooks, this work endeavors to highlight the muted perspectives of immigrants in education and make significant advances towards resolving this problem. Through extensive research and analysis of the relevant literature, the authors shed light on the challenges refugee students face in their educational trajectories and

offer innovative suggestions for adopting more equitable and inclusive approaches within our educational systems. The book not only addresses an educational dilemma, but also emphasizes humanity's shared responsibility. Supporting the educational rights of refugees promotes not only their personal growth, but also more tolerant, compassionate, and sustainable societies. At the same time, this work promotes a critical comprehension of refugee experiences in education by presenting both problems and solutions to the readership. In this way, it demonstrates how a more equitable and egalitarian approach to education can be adopted and it ultimately encourages readers to adopt a broader perspective on the world, embracing humanitarian values and social responsibility.
