BIOS Instant Notes in Immunology Peter Lydyard 2011-03-31 BIOS Instant Notes in Immunology, Third Edition, is the perfect text for undergraduates looking for a concise introduction to the subject, or a study guide to

use before examinations. Each topic begins with a summary of essential facts-an ideal revision checklist-followed by a description of the subject that focuses on core information, with clear, **Immunity** 1995 Presents "Immunity," a monthly journal available in both print and electronic versions that is published by Cell Press in Cambridge, Massachusetts. Explains that the journal contains research articles and reviews of general interest in the discipline of immunology. Notes that a subscription is necessary in order to access online summaries and full text articles from the publication. Includes information about conferences and employment opportunities. Offers access to a table of contents and ordering information, as well as instructions for prospective authors. Posts contact information via mailing address, telephone and fax numbers, and e-mail.

Elements of Immunology Khan 2004 The Elements of Immunology is designed to introduce readers to the exciting world of

immunology, the people who populate it and foster a curiosity to question and know more. The book is supported by a consistent, colourful art programme. The detailed explanation of concepts and terms, and the deconstruction of complex molecular mechanisms into simple, easy-to-remember steps help students focus on the fundamentals without any distractions. Packed with extensive Web-based supplements, the book enables students to visualize concepts, thereby enriching the learning process. The book, comprising twenty chapters, has numerous pedagogical elements built into it. Margin snippets present interesting and relevant information without breaking the flow of the text. Margin definitions highlight the key terms for easy identification and recollection. Each chapter talks about a relevant molecular biology technique, thus providing an insight into the practical aspect of immunology as well. A glossary at the end of the book lists out the important terms used.
