**The British National Bibliography** Arthur James Wells 1996  
*Administrative Side of Coaching* Richard Leonard 2008 Management concepts for coaches -- Internal program administration -- Marketing concepts -- External program administration and other business applications -- Special topics.

**Fundamentals of Human Resource Management** Susan L. Verhulst 2021-11-12 Fully revised and updated with input from practicing HR professionals, *Fundamentals of Human Resource Management*, 14th Edition provides students with a concise yet thorough introduction to the quickly evolving world of Human Resource Management (HR). This conversational and engaging text is designed to enhance online and distance learning and covers nearly all topics and competencies recommended by Society of Human Resource Management (SHRM) and Human Resource Certification Institute (HRCI) including human resource functions, strategy, planning, legal context, employee relations, talent acquisition, training and development, performance management, total rewards, health, safety, and labor relations. Every chapter is filled with real-world examples and activities based on current and emerging issues designed to strengthen student comprehension and increase student engagement.

*Management and the Arts* William J. Byrnes 2014-09-19 The fifth edition of *Management and the Arts* discusses the theory and practical applications from all arts management perspectives including planning, marketing, finance, economics, organization, staffing, and group dynamics. Revised to reflect the latest thinking and trends in managing organizations and people, this fifth edition features class-tested questions in each chapter, which help students to integrate the material and develop ideas about how the situations and problems could have been handled. Statistics and real-world examples illustrate all aspects of

arts managements, from budgeting and fundraising, to e-marketing and social networking, to working effectively with boards and staff members. Case studies focus on the challenges facing managers and organizations every day, and "In the News" quotes provide real-world examples of principles and theories. Students in Arts Management university courses along with arts managers in a theatre, museum, dance company, and opera will gain useful insights into strategic planning, organization, and integrated management theories with this book.
