Play and Sing 5 Chord Chris Tomlin Songs for Worship Eric Roberts 2018-06-27 The easiest to play and most accurate chord

charts are now in one amazing book! The best songs from one of the most successful Christian worship artists are now easy to play on guitar and include simple chords and rhythm slashes to help you know exactly when to change chords. This songbook is perfect for performing or playing your favorite Chris Tomlin songs with simple chords with easy-to-follow rhythms. Amazing Grace (My Chains Are Gone) Resurrection Power How Great is Our God 10,000 Reasons Everlasting God I will Rise The Wonderful Cross Sing, Sing, Sing Forever We Fall Down I Will Follow God of This City Jesus Loves Me Not to Us At the Cross (Love Ran Red) White Flag God of This City Whom Shall I Fear (God of Angel Armies) Enough Made to Worship Good Good Father Our God Your Grace is Enough Jesus Messiah Here I Am to Worship How Can I Keep from Singing? God's Great Dance Floor Joy to the World (Unspeakable Joy) Home I spent many years searching for the best chord charts while preparing for weekly worship services but I became frustrated with because most charts published seem inaccurate to the real life song (the way that the artist would actually play the song on stage). Also many charts include unnecessary chords that get in the way and make it hard for most musicians to actually sound good playing the song. That is why I have written these simple, accurate, and easy-to-play charts. Using my charts, you can play these great songs with 4-5 simple modern chord shapes on guitar or piano. My simple one-page charts will help you play with ease and help you put more focus on what really matters... worshipping God! This book has some great features including: -Strum and Play along on guitar or piano with my YouTube videos for every song at www.worshiptheking.com/playandsing -Every song is in the key of G to make it extremely easy to learn and play -Easy slash marks so you know exactly when to switch chords. -NO note reading required. You get the same charts the band uses every week to lead worship! How the book is made: Unlike a traditional songbook, this book contains NO LEAD LINES

on the musical staff. This book is made to help you play by chords on guitar and piano with simple slash rhythm marks above the words. The great news is that you don't have to be able to read music to successfully play these songs easily and you never have to turn a page to play the full song! This book can be used for guitar, bass, piano, ukulele or any other rhythm instrument!
