Now a major film with Rafe Spall. Four old university friends reunite for a hiking trip in the Scandinavian wilderness of the Arctic Circle. No longer young men, they have little left in common and tensions rise as they struggle to connect. Frustrated and tired they take a shortcut that turns their hike into a nightmare that could cost them their lives. Lost, hungry and surrounded by forest untouched for millennia, they stumble across an isolated old house. Inside, they find the macabre remains of old rites and pagan sacrifices; ancient artefacts and unidentifiable bones. A place of dark ritual and home to a bestial presence that is still present in the ancient forest, and now they're the prey. As the four friends struggle toward salvation they discover that death doesn't come easy among these ancient trees . . . 'This novel grabs from the very first page, refuses to be laid aside, and carries the hapless reader, exhausted and wrung out, to the very last sentence' - The Guardian

**Lost Girl** Adam Nevill 2015-10-22 Set amidst the devastation of climate change and global pandemics, *Lost Girl* is a dystopian nightmare from the master of horror Adam Nevill. How far will he go to save his daughter? How far will he go to get revenge? It's 2053 and climate change has left billions homeless and starving - easy prey for the pandemics that sweep across the globe, scything through the refugee populations. Easy prey, too, for the violent gangs and people-smugglers who thrive in the crumbling world where 'King Death' reigns supreme. The father's world went to hell two years ago. His four-year-old daughter was snatched from his garden when he should have been watching. The moments before her disappearance play in a perpetual loop in his mind. But the police aren't interested; amidst floods, hurricanes and global chaos, who cares about one more missing child? Now it's all down to him to find her, him alone . . .

*Last Days* Adam Nevill 2024-10-17 An unnerving, terrifying novel from a master of horror, Adam Nevill. The Temple of the Last Days. A brutal, infamous cult with a grotesquely violent history of murder, sex and occult dealings that destroyed itself during one night of ritualistic violence decades ago. Strapped-for-cash indie filmmaker, Kyle Freeman, embarks on a project to unravel the cult's bloody history. Little does he know, this voyage will plunge him into an abyss where dark reality melds with the inexplicable supernatural. From London, through France, to Arizona, Freeman is haunted by uncanny events, out-of-body experiences and a disturbing presence. When they discover the power of the cult's terrible legacy, and

that it may be too late for them to escape . . . 'Will leave you sleeping with the lights on' - SFX 'Fast becoming Britain's answer to Stephen King' - Guardian

*No One Gets Out Alive* Adam Nevill 2015-04-28 When Stephanie moves to the notoriously cheap Perry Bar neighborhood of Birmingham, she's just happy to find an affordable room for rent that's large enough not to deserve her previous room's nickname, "the cell." The eccentric — albeit slightly overly-friendly — landlord seems nice and welcoming enough, the ceilings are high, and all of the other tenants are also girls. Things aren't great, but they're stable. Or at least that's what she tells herself when she impulsively hands over enough money to cover the first month's rent and decides to give it a go. But soon after she becomes uneasy about her rash decision. She hears things in the night. Feels them. Things...or people...who aren't there in the light. Who couldn't be there, because after-all, her door is locked every night, and the key is still in place in the morning. Concern soon turns to terror when the voices she hears and presence she feels each night become hostile. It's clear that something very bad has happened in this house. And something even worse is happening now. Stephanie has to find a way out, before whatever's going on in the house finds her first. Adam Nevill's *No One Gets Out Alive* will chill you straight through to the core — a cold, merciless, fear-inducing nightmare to the last page. A word of caution, don't read this one in the dark.

**A Horror Omnibus** Adam Nevill 2013-09-19 Adam Nevill's *A Horror Omnibus* contains three tales of supernatural terror from one of Britain's best horror authors . . . *Apartment 16*: An apartment block in London has lain empty for fifty years. Seth is the night watchman and one night hears a disturbance in the strange apartment. What he experiences changes his life forever. Could the doorway to Apartment 16 be the gateway to something altogether more terrifying? *The Ritual*: Four old university friends reunite for a hiking trip in the Scandinavian wilderness of the Arctic Circle. When they take a shortcut, they soon discover old macabre remains and a bestial presence that turns their hike into a nightmare that could cost them their lives. But the four friends soon discover that death doesn't come easy among these ancient trees . . . *Last Days*: Kyle Freeman is an indie film-maker with no money and few options, so when he lands a commission to make a documentary about The Temple of the Last Days cult, he jumps at the chance. Little does he know that his investigation into the cult's bloody history will lead him into the darkest places he's ever known.

*House of Small Shadows* Adam Nevill 2013 Catherine's last job ended badly. Corporate bullying at a top TV network saw her fired and forced to leave London, but she was determined to get her life back. A new job and a few therapists later, things look much brighter. Especially when a challenging new project presents itself -- to catalogue the late M. H. Mason's wildly eccentric cache of antique dolls and puppets. Rarest of all, she'll get to examine his elaborate displays of posed, costumed and preserved animals, depicting bloody scenes from the Great War. Catherine can't believe her luck when Mason's elderly niece invites her to stay at Red House itself, where she maintains the collection until his niece exposes her to the dark message behind her uncle's "Art." Catherine tries to concentrate on the job, but Mason's damaged visions begin to raise dark shadows from her own past. Shadows she'd hoped therapy had finally erased. Soon the barriers between reality, sanity and memory start to merge and some truths seem too terrible to be real... in *The House of Small Shadows* by Adam Nevill.

**The Vessel** Adam Nevill 2022-10-31 An eerie folk horror novel from the author of *Cunning Folk*, *The Reddening*, *The Ritual*, *No One Gets Out Alive* and the four times winner of the August Derleth Award for Best Horror Novel. 'A watcher may remark that after sleeping for so long, the building appears to have been roused.' Struggling with money, raising a child alone and fleeing a volatile ex, Jess McMachen accepts a job caring for an elderly patient. Flo Gardner - a disturbed shut-in and invalid. But if Jess can hold this job down, she and her daughter, Izzy, can begin a new life. Flo's vast home, Nerthus House, may resemble a stately vicarage in an idyllic village, but the labyrinthine interior is a dark, cluttered warren filled with

pagan artefacts. And Nerthus House lives in the shadow of a malevolent secret. A sinister enigma determined to reveal itself to Jess and to drive her to the end of her tether. Not only is she stricken by the malign manipulation of the Vicarage's bleak past, but mercurial Flo is soon casting a baleful influence over young Izzy. What appeared to be a routine job soon becomes a battle for Jess's sanity and the control of her child. It's as if an ancient ritual was triggered when Jess crossed the threshold of the vicarage. A rite leading her and Izzy to a terrifying critical mass, where all will be lost or saved. "You don't read an Adam Nevill horror novel: you live it" The Guardian 'In refining the tale of supernatural horror to its essence, M.R. James increased the terror, and among his living inheritors is Adam Nevill' - Ramsey Campbell

*No One Gets Out Alive* Adam Nevill 2014-11-01 Darkness lives within . . . Cash-strapped, working for agencies and living in shared accommodation, Stephanie Booth feels she can fall no further. So when she takes a new room at the right price, she believes her luck has finally turned. But 82 Edgware Road is not what it appears to be. It's not only the eerie atmosphere of the vast, neglected house, or the disturbing attitude of her new landlord, Knacker McGuire, that makes her uneasy - it's the whispers behind the fireplace, the scratching beneath floors, the footsteps in the dark, and the young women weeping in neighbouring rooms. And when Knacker's cousin Fergal arrives, the danger goes vertical. But this is merely a beginning, a gateway to horrors beyond Stephanie's worst nightmares. And in a house where no one listens to the screams, will she ever get out alive?

**Some Will Not Sleep** Adam Nevill 2016-10-31 In ghastly harmony with the nightmarish visions of the award-winning writer's novels, these stories blend a lifelong appreciation of horror culture with the grotesque fascinations and childlike terrors that are the author's own. Adam L.G. Nevill's best early horror stories are collected here for the first time.

*Hasty for the Dark* Adam Nevill 2017-10-31 These selected terrors range from the speculative to supernatural horror, encompass the infernal and the occult, and include stories inspired by H. P. Lovecraft, Robert Aickman and Ramsey Campbell. *Hasty for the Dark* is the second short story collection from the award-winning and widely appreciated British writer of horror fiction, Adam L. G. Nevill. The author's best

horror stories from 2009 to 2015 are collected here for the first time. The hardest journeys in life and death are taken underground. No blackmail is as ghastly as extortion from angels. A swift reckoning often travels in handheld luggage. Once considered inhumane and now derelict, this zoo may not be as empty as assumed. A bad marriage, a killer couple, and part of a wider movement. No sign of life aboard an abandoned freighter, but what is left below deck tells a strange story. The origin of our species is not what we think. In destitution, the future for revolution and mass murder is so bright. Your memories may not be your own, and your life nothing more than a ritual that will compel you to perform an atrocity . . . Praise for the author's first collection of horror stories, *Some Will Not Sleep: Selected Horrors*: "Great storytelling, but across a wider palate and range of styles than you might have expected, leading to some delightfully unexpected visions and hellscape." *Gingernuts of Horror* "There is not one single tale which feels less than the others, none which seem to be mere 'filler'. They are beautifully crafted, original and complete works which nevertheless fit well together as arranged by the author." This is Horror "In 'Some Will Not Sleep' nothing is sacred, nothing is safe, and goodness me, if you like horror fiction you're going to absolutely love every damn minute." Pop Mythology Praise for Adam Nevill's horror novels: "Adam Nevill is a spine-chiller in the classic tradition, a writer who draws you in from the world of the familiar, eases you into the world of terror, and then locks the door behind you." Michael Koryta, NYT Bestselling author "Modern storytelling ... and old school terror. Very scary, highly recommended" - Jonathan Maberry, NYT bestselling author "One of the most subtle and powerful writers of dark fiction - a unique voice" - Michael Marshall Smith, NYT Bestselling author "Chilling, disorienting, and deeply creepy" - Scott Smith (author of 'The Ruins' on 'House of Small Shadows') "Nevill is fast becoming Britain's answer to Stephen King" - Guardian "He has the rare ability to craft a nebulous atmosphere of terror, as well as to capture cinematic slasherpunk in the written word. Both are incredibly rare talents." Pornokitsch "The sense of dread is immediate, with the reader's sense of foreboding increasing with every new page." Irish Examiner "Readers will lose all hope of peaceful, undisturbed sleep. Highly recommended." Library Journal - Starred Review "Nevill's talent for horror resonates ominously in every scene, almost as if the theme from Jaws echoes when a page is turned." Kirkus

**Under a Watchful Eye** Adam Nevill 2017-01-12 *Under a Watchful Eye* by Adam Nevill is a supernatural thriller from the award-winning writer of *The Ritual* and *Last Days*. Seb Logan is being watched. He just doesn't know by whom. When the sudden appearance of a dark figure shatters his idyllic coastal life, he soon realizes that the murky past he thought he'd left behind has far from forgotten him. What's more unsettling is the strange atmosphere that engulfs him at every sighting, plunging his mind into a terrifying paranoia. To be a victim without knowing the tormentor. To be despised without knowing the offence caused. To be seen by what nobody else can see. These are the thoughts which plague his every waking moment. Imprisoned by despair, Seb fears his stalker is not working alone, but rather is involved in a wider conspiracy that threatens everything he has worked for. For there are doors in this world that open into unknown places. Places used by the worst kind of people to achieve their own ends. And once his investigation leads him to stray across the line and into mortal danger, he risks becoming another fatality in a long line of victims . . .
