

Strategic Management Dess 6th Edition

The Management of Organizations Jay B. Barney 1992 Taking an organizational approach to the presentation of management concepts, this text aims at the introductory management course level and at instructors wishing to structure their principles of management around a strategy/behaviour approach. Ancillary package available upon adoption. *Multiple Perspectives of Entrepreneurship* Daniel F. Jennings 1994 This book contains text, cases and readings describing the different schools of entrepreneurial thought including economic theory and entrepreneurship, behavioural aspects of entrepreneurs, and corporate entrepreneurship. It concludes with a chapter on the future of entrepreneurship.

STRATEGIC MANAGEMENT : CONCEPTS AND CASES MILIND T. PHADTARE 2010-10-04 Primarily intended for the postgraduate students of commerce and management, this compact text covers all the topics prescribed in almost all universities and autonomous institutes in India. Each concept is explained with the help of many real-life examples from the Indian context. Considering the fact that the understanding of the concept of strategic intent is prerequisite to the understanding of strategic management, the chapter on strategic intent is included which brings out the differences between various elements of strategic intent. It also covers the current happenings in the businesses from the Indian context. Similarly, a topic on strategic choice has been discussed at length because of the fact that BCG growth-share matrix and GE nine-cell matrix are extremely useful in making a strategic decision in real life. Besides, the book contains ten case studies on various topics of strategic management such as environmental appraisal, critical success factors, SWOT analysis, strategic intent, strategic choice, business level strategy formulation and choice of growth strategy. All these cases are provided with authentic industry specific data. Firms are chosen from different businesses thereby giving business-specific flavour and a broad understanding of various business domains.

Strategic Management Gregory G. Dess 2003 A guide to strategic management. It seeks to respond to the demands of today's rapidly changing and unpredictable marketplace that students will face when they enter the business world. The concepts-only text is designed to engage students and provide a solid treatment of traditional topics in strategic management, as well as contemporary topics such as entrepreneurship, knowledge management, and e-commerce and Internet strategies. Numerous applications from business practice plus sidebars (about six in each chapter) illustrate key concepts, and chapter-opening vignettes offer examples of what can go wrong.

Strategic Decision Making Niels G. Noorderhaven 1995 This work adopts a theoretical approach and focuses on strategic decision-making as a process. It describes decision-making as an activity performed by rational and biased individuals, and places an emphasis upon group dynamics and the organizational context.

The Frontiers of Project Management Research Dennis P. Slevin 2002 Whatever your project management interests or informational needs, *The Frontiers of Project Management Research* offers you stimulating ideas for tomorrow and innovative approaches from today, all at your fingertips.

Management Courtland L. Bovée 1993 This text ushers students into the world of management through the eyes of real managers who work in real organizations - for-profit companies, not-for-profit firms, and government agencies. It presents hundreds of examples that grab student's interest while helping them understand the challenges, issues, and achievements of contemporary management. Students not only read about management, they experience it firsthand through a variety of highly involving activities in every chapter. With its unique case study/simulations, video exercises, assignments to improve communication skills, and a host of activities that foster critical thinking, it is an ideal undergraduate management text.
