**Things Fall Apart, Chinua Achebe** Chinua Achebe 2002 A reading and study guide for Chinua Achebe's novel Things Fall Apart.

**The Rhetorical Implications of Chinua Achebe's Things Fall Apart** Emmanuel Edame Egar 2000-07-19 In Things Fall Apart, Chinua Achebe articulates and dramatizes a unique and peculiar kind of rhetoric- a rhetoric that emphasizes that man, and not language, is the site for social interaction. The oracle and the bull are synthesized, metamorphosed, laced, and condensed to form an alchemy which produces a cohesive communal community as the end result. This African rhetoric displays a language that is innocent, unlike the Western European rhetoric where language dramatizes multiple voices. This critical text focuses on Achebe's

rhetoric from the Aristotelian style.

Sample Book Insights: #1 The phrase on the brink of can be used in a positive or negative way. It is defined as the edge of a cliff or other high area, or the point at which something good or bad will happen. I like being on the brink of everything because it gives me new perspectives on my past, present, and future. #2 The phrase on the brink of can be used in a positive or negative way. It is defined as the edge of a cliff or other high area, or the point at which something good or bad will happen. I like being on the brink of everything because it gives me new perspectives on my past, present, and future. #3 I am that to which I gave short shrift and that to which I attended. I am my descents into darkness and my rising again into the light, my betrayals and my fidelities, my failures and my successes. #4 The title stands for too long; didn't read. Shorter: If you're wondering whether your life has meaning, forget about it. It doesn't.

**Summary Of The Subtle Art Of Not Giving a Fuck** Zara Sage 2024-10-11 In this no-nonsense guide to emotional freedom, *The Essential Guide to Not Giving a Damn (The Calm Rebel's Guide)* which is a Summary guide to Mark Manson's book flips the self-help script and tells you what most books won't: life's a mess, and chasing

perfection only makes it worse. Forget the feel-good fluff and motivational glitter. This book doesn't promise eternal happiness or a five-step plan to bliss. Instead, it delivers a brutal wake-up call: you've only got so many f\*cks to give, so stop wasting them on crap that doesn't matter. Through sharp stories, gut-punch honesty, and a healthy dose of "deal with it," this guide shows you how to stop chasing approval, quit dodging discomfort, and start choosing struggles that actually mean something. You'll learn why happiness isn't a destination, why your emotions aren't always right, and why being "special" is the biggest lie you've ever swallowed. It's not about being fearless—it's about being real. And that means facing your problems, owning your choices, and giving a damn only where it counts. If you're tired of the pressure to be perfect, the endless loop of self-doubt, and the fake smiles plastered across your feed, this book is your permission slip to let go, live loud, and finally breathe. It's not polite. It's not pretty. But it

might just be the most honest thing you'll read this year. Will you keep giving a f\*ck about things that don't matter, or will you take charge and focus on what really does?

**Things Fall Apart** Chinua Achebe 2010-10-06  
"A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world." —Barack Obama "African literature is incomplete and unthinkable without the works of Chinua Achebe." —Toni Morrison Nominated as one of America's best-loved novels by PBS's The Great American Read Things Fall Apart is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, Things Fall Apart explores one man's futile resistance to the devaluing of his Igbo traditions

by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, Things Fall Apart provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

**Summary of Brant Hansen's The Truth about Us** Everest Media 2022-07-24T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 We all think we're good people, but Jesus says we're not. We have a problem: all of us think we're more moral than average. We're better at everything than everybody, but we're still humble about it. #2 We all have a tendency to be self-righteous, and we rarely talk about it. Jesus addresses this issue relentlessly, and he

says that all of us, without exception, need to repent and repudiate ourselves. #3 The goal of this book is not to make you feel bad about yourself, but to help you see just how good God is and how much more relaxing life can be when we come to terms with who we are. #4 The word righteous means approved by God. It's something God judges as good or right. To be self-righteous means we've met that standard in our own eyes. We will stop at nothing to avoid cognitive dissonance, and we will sacrifice anything to preserve our precious illusion.

*Contemporary African Literature and the Politics of Gender* Florence Stratton 2020-09-23 The influence of colonialism and race on the development of African literature has been the subject of a number of studies. The effect of patriarchy and gender, however, and indeed the contributions of African women, have up until now been largely ignored by the critics. *Contemporary African Literature and the Politics of Gender* is the first extensive account of

African literature from a feminist perspective. In this first radical and exciting work Florence Stratton outlines the features of an emerging female tradition in African fiction. A chapter is dedicated to each to the works of four women writers: Grace Ogot, Flora Nwapa, Buchi Emecheta and Mariama Ba. In addition she provides challenging new readings of canonical male authors such as Chinua Achebe, Ngugi wa Thiongo'o and Wole Soyinka. *Contemporary African Literature and the Politics of Gender* thus provides the first truly comprehensive definition of the current literary tradition in Africa.
