

Unique Publishers For Schools And Colleges

The thinking is that unique properly only describes what is unequaled or otherwise distinct from all others. Just as ... UNIQUE definition: existing as the only one or as the sole example; single; solitary in type or characteristics. See ... if something is unique to a place or situation, it only exists in that place or situation: very special or unusual. The preview offers a unique opportunity to see the show without the crowds. This house ... You can use unique to describe things that you admire because they are very unusual and special.
