Beginning RPG Maker VX Ace Darrin Perez 2014-12-19 Beginning RPG Maker VX Ace takes you through the process of using the RPG Maker VX Ace game development engine to create your very own role playing game. The book has been designed with the complete beginner in mind who has little to no experience with the engine. Tutorials and exercises will take you from installing the software to putting the final touches upon your first project. Game design can be quite a daunting challenge, as it generally involves a large amount of programming know-how on top of having to plan everything out that makes a good game what it is. RPG Maker VX Ace is an intuitive system that allows you to make your own game with a fraction of the effort otherwise required. Beginning RPG Maker VX Ace equips you with the knowledge you need to use Enterbrain's newest role playing game development engine. Takes you from the start of a project to the completion of a small game. Provides a step-by-step process that will walk you through each stage of the creation process. Gives many helpful tips and tricks you can apply to your future endeavors with the engine.

Beginning RPG Maker MV Darrin Perez 2016-06-17 Create your very own role playing game using the RPG Maker MV game development engine. You'll go through tutorials and exercises that will take you from installing the software to putting the final touches upon your first project. Beginning RPG Maker MV has been designed with the complete beginner in mind who has little to no experience with the engine. It includes full JavaScript code, replacing the old Ruby commands. Game design can be quite a daunting challenge, as it generally involves a large amount of programming know-how on top of having to plan everything out that makes a good game what it is. RPG Maker MV is an intuitive system that allows you to make your own game with a fraction of the effort otherwise required. Beginning RPG Maker MV equips you with the

knowledge you need to use Enterbrain's newest role playing game development engine. Takes you from the start of a project to the completion of a small game. Provides a step-by-step process that will walk you through each stage of the creation process. Gives many helpful tips and tricks you can apply to your future endeavors with the engine. What You Will Learn Use switches and variables to affect the game world Populate your areas with non-player characters that serve a wide range of roles Use the database which serves as the backbone of RPG Maker MV Create dungeons with two types of enemy encounter Create fun and varied mini-games and side-quests to serve as distractions from the main plot Write scripts using RPG Maker MV's Script Editor Who This Book is For Novices in game design who would like to learn how to use a simple, yet robust, game development engine. It's for those people who have little to no programming experience but would like to make an RPG. *Make a 2D RPG in a Weekend* Darrin Perez 2015-03-31 *Make a 2D RPG in a Weekend* shows you how to create your very own dungeon crawler game in RPG Maker VX Ace in a single weekend. The entire process, from start to finish, is covered within this book. You will see a variety of dungeon maps and events, all broken down for your convenience. One of the hardest parts of game development is actually finishing a game, but it is also one of the most important steps on the way to becoming a game developer. If you have yet to finish a game, this book will give you the confidence and resources you need to finally be able to create your very own RPG. Once you've completed the game in this book, you'll be able to modify it as much as you like, adding new monsters and quests, and you'll have the skills to go on to create your second game all by yourself. Among the topics covered in this book are: • Creating various types of enemy encounters via the use of the eventing system. • Creating a special area that allows the player to pick their character of choice instead of being forced to play a particular character. • Clever uses of

events to create items that allow the player to return to town instantly and summon vehicles to their side.
