

Chaminade Red Devils Hockey

Devil of a Hockey Team Jim Mancuso 2013-09-25

The Name Game Michael Leo Donovan 1997 Never before has the concept of name-calling been more lucrative. The merchandising of sports team-name paraphernalia is a multi-billion dollar business. Where the names of some sports franchises are rich with tradition, others simply hope to get rich in a world where merchandising is king, cashing in on eye-catching marketing concepts to sell T-shirts and baseball caps. Some of these nickname histories will stump even the most trivia-obsessed among you. This book explains the names for all 116 Canadian and American professional sports clubs plus 150 college teams and more than 100 of the weirdest and wackiest names from other sports or leagues.

Breakaway Tal Pinchevsky 2012-06-12 From behind the Iron Curtain onto hockey's biggest stage The incredible true story of the trailblazing men who risked everything to pass through the Iron Curtain and become NHL superstars, Breakaway is a thrilling look at the untold stories that changed hockey forever. From midnight meetings in secluded forests, to evading capture by military and police forces, this is the story of the brave players whose passion of the game trumped all. Featuring exclusive interviews with the legends of the ice who put everything on the line just for the chance to play on the world's greatest stage, many of them speaking about their experiences for the very first time, the book looks at how Peter Stastny, Igor Larionov, Petr Klima, Petr Nedved, Sergei Fedorov, Slava Fetisov, Alexander Mogilny, and other hockey superstars captured the

imaginations of fans around the world. The remarkable true story of some of the true pioneers of hockey, told for the very first time, often in the players' own words A fascinating look behind the Iron Curtain and the trials these brave men endured for a taste of freedom, through their love of the game Looks at how some of the NHL's greatest players made it onto North American ice As much a tale of espionage and social history as a gripping hockey chronicle, Breakaway sheds light on the untold stories of some of the sports' most inspiring heroes.
