Readers' Guide to Periodical Literature 1910

The Kindergarten-primary Magazine Bertha Johnston 1922

Shaping the Story Mark Baechtel 2004 Shaping the Story teaches beginning fiction writers to hone their craft with a unique, step-by-step approach to writing a short story. Stepping students through an interlocking set of twelve easy-to-follow exercises Shaping the Story helps the beginning fiction writer understand the ways a short story changes and grows as it moves from its often-vague beginnings through a satisfying ending. As students step through the process, they learn about development of theme, point of view, voice, setting, character, dialogue, scene, plot, the treatment of time, and the crafting of satisfying endings. The text also offers an additional 48 skill-building exercises--four per chapter--plus an anthology of thirteen carefully chosen stories, which, through reading and analysis, will bring the book's lessons vividly to life.

2004 Novel and Short Story Writer's Market Anne Bowling 2003 Lists addresses and information on contacts, pay rates, and submission requirements, and includes essays on the craft of writing.

About The Expert Sarah Zachary was born in 1988, the only daughter of Stephen and Teresa Zachary. Although she always loved being read to as a child and took frequent library trips, she first discovered her love of writing in early high school, when she was assigned to write a paragraph of a fictional story. Sarah went on to write the first fifty pages of a play novel. When her friends showed enjoyment in her writing, Sarah went on to publish her first pieces of work online and gained followers who helped shape and critique her craft. She continued to write short stories and began to attempt to get her work published. While attending college at Liberty University in Lynchburg, VA, she was published for the first time in a collection of essays, and counted among the top five percent of writers in the nation. After graduating college with a BA in English, she began to widen her professional portfolio. Pressing on, she has been published in several more genres and seeks to work in the field of creative design or concept design, especially in the spectrum of video game design. Her work is often in the fields of romance and fantasy, and her first young adult fantasy novel is currently in progress. She also has a professional Facebook page for followers under the name Sarah Joyce Zachary. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts.
