Comprehensive Psychiatric Nursing Judith Haber 1996-12 This outstanding text and reference emphasizes the seamless continuity of psychiatric care, as well as the variety of settings in which it is now provided. As always, your students get current and comprehensive information that's presented in a clear, accessible, visually stimulating format -- and is now more clinically relevant than ever! For example, the psychobiological bases of mental disorders and psychopharmacological interventions are now featured in a new chapter, depicted in two exciting full-color inserts, and integrated throughout the book.
