

The Mystery Of The Missing Tiger

If you talk about the mystery of someone or something, you are talking about how difficult they are to understand or know about, especially when this gives them a rather strange or magical quality. Mystery novels are often called “whodunnits” because they turn the reader into a detective trying to figure out the who, what, when, and how of a particular crime. At its core, mystery is a literary technique that uses unanswered questions and concealed information to create suspense, intrigue, and a desire for resolution in the reader. It isn't confined to detective ... MYSTERY definition: 1. something strange or not known that has not yet been explained or understood: 2. a book, film.... Learn more.
