Families Affected by Addiction Gallus Bischof 2025-05-06 This Open Access book sheds new light on the wide range of Affected Family Members' experiences. At a conservative estimate, there are at least 100 million adults across the globe who are affected by their relatives' addiction problems. These Affected Family Members (AFMs) experience multiple stresses, coping dilemmas, and a lack of information and support, and are at heightened risk for ill-health. The results are very costly, both from the personal and from the public services point of view. The volume elaborates on the barriers to providing effective help, including political neglect, under-representation in both policy and service delivery models, the lack of involvement and encouragement from health and social care professionals, the stigmatisation and bias as barriers to care, and the range of evidence-based interventions. It also explores the similarities and differences of all of these areas depending on the type of addiction problem that the family is affected by – alcohol, illicit drugs, gambling, etc. While covering the more commonly reported work in high-income countries, the contributions put strong emphasis on the experience of AFMs in low- and middle-income countries. Given its truly global approach, the book will be a key resource for practitioners, policymakers, and researchers alike.

We Recovered Too Michael Fitzpatrick 2011-10-19 With firsthand accounts told through rare recordings of interviews and speeches, diary entries, and other documents dating from the 1940s, Michael Fitzpatrick presents the inspiring story of Al-Anon. To celebrate the 60th anniversary of Al-Anon, Hazelden proudly presents this engaging multimedia retrospective of the Fellowship that has brought the miracle of recovery to countless family members and loved ones of alcoholics and addicts. With its roots in the early days of Alcoholics Anonymous, when wives joined their husbands at the AA meetings and found refuge and understanding in one another, Al-Anon Family Groups has grown into a robust worldwide fellowship of men and women healing from the impact of addiction. Through colorful firsthand accounts told through rare recordings of interviews and speeches, diary entries, and other documents dating from the 1940s, recovery historian and beloved author Michael Fitzpatrick presents the inspiring story of Al-Anon. Discover how cofounders Anne B. and Lois W. guided the growth of these groundbreaking groups, later known as Clearing House and, ultimately, Al-Anon. Take an intimate peek into these visionaries' lives through never-before-published letters provided by Stepping Stones, the historical home of Bill W. and Lois W. Listen to recordings collected by Al-Anon pioneer Arbutus O. See how the program used by the early "Wives Groups" has evolved over time. Not only will you become a witness to Al-Anon history, you will find inspiration and insight into the core principles and practices that have made this a lifesaving program for thousands worldwide. Michael Fitzpatrick is a leading historian and speaker in the field of alcoholism, specializing in the development of the Twelve Step movement. For this book, he drew from his own audio archive, possibly the world's largest collection of recordings of the Twelve Step pioneers and their legacy over the decades. He is coauthor with William G. Borchert of *1000 Years of Sobriety: 20 People x 50 Years*.

More than 450 entries descriptively analyze and summarize key terms, trends, concepts, and people that are vital to the study of drugs and drug abuse, providing readers of all ages and backgrounds with invaluable information on domestic and international drug trafficking and use. The set provides special coverage of shifting societal and legislative perspectives on marijuana, as evidenced by Colorado and Washington legalizing marijuana with the 2012 elections.
