Calendar of Literary Facts Samuel J. Rogal 1991 This chronology quickly identifies and dates major literary events from the mid-fifteenth century to the present. Its broad, international scope makes this datebook unusual. Birth and death dates of about 2,000 literary figures are given, together with dates of major publications and other literary events.

Poovan Banana and the Other Stories Vaikkam Muhammad Basir 1994 This carefully selected collection of Vaikom Muhammad Basheer's short stories are characterised by a variety in theme and tone. He has enshrined in them every kind of experience from the pangs of hunger and sex to the rapture of mystic vision. Its range includes stark realistic pictures of the material world as well as the realm of fantasy

haunted by ghosts and spirits. Basheer has written on love and hate, on politicians and pickpockets, on the fancies of childhood and on the disillusionments of adult life with an intense sense of the tragedy of life and at the same time an irrepressible sense of humour.
