The Complete Ib Biology Exam Preparation for SL & HL Raquel Flemming Goulds 2017-02-14 IB Biology is challenging, college-level course, so

there will be times when you will need more help than your class notes can give you in preparing for the final exam. In this comprehensive and easy to understand exam preparation, Dr. Goulds compiles both SL and HL information into one user-friendly resource, and provides you with many IB Biology related practice questions. Written by a well-respected American professor, biologist, and one of the most widely read writers of her generation, this exam preparation is a must for students wishing to maximize their IB Biology score. If you are looking for material that closely parallels the questions in the whole IB Biology Exam, this book is a must. You can skip to the end of the book to the reviews/questions section for great overall study resources at any point. We highly recommend that you use this guide throughout the year as a refresher before tests and quizzes, as well as for additional support if you did not entirely understand a specific lesson in your IB Biology class.
