[Masculine Face Charts for Makeup Artists - Plan. Practice. Record.](#) Wandering Tortoise 2019-12-26 Makeup artists can plan new designs or practice techniques with this book of face charts. The face charts are ready for your creative touch. They each have a masculine minimalist face and swatch boxes to quickly view your color palette. Each face chart page also has room for you to record the products, colors and brands used to create your unique look. In this way, makeup artists can create a reference book and portfolio for personal or professional use. The spaces used for record-keeping can include details about products used on the face (foundation, contour, concealer, blush, highlights), the eyes (brows, lids, crease, liner), the lips (liner, color, gloss), and details about the

client or intended wearer (skin tone, hair color, eye color). Pages are one-sided to keep different designs and color samples from rubbing against each other. The paper is smooth, regular paper. Not textured. 8.5" x 11" page sizes

Face charts have a masculine look (a book of face charts with a more feminine look is available separately) Facial features (eyes, brows, nose, mouth) are light grey so they don't show through your makeup designs

Enough space for 50 unique designs Great for practicing contouring or color combinations A great workbook for cosmetology students Also ideal for makeup artists who work in theater or film

Bad Fruit Ella King 2022-08-23

"[A] blistering psychological thriller." —The New York Times Book Review "A compelling debut that fizzes with tension from start to finish, blending the subtle erudition of literary fiction with the drama and suspense of the very best thrillers. Masterful in its evocation of the complexity of mother-daughter relationships, this is a darkly fascinating, tightly plotted narrative from a writer to watch." —Harper's Bazaar (UK)

Just graduated from high school and waiting to start college at Oxford, Lily lives under the scrutiny of her volatile Singaporean mother, May, and is unable to find kinship with her elusive British father, Charlie. When May suspects that Charlie is having an affair, there's only one thing that calms May down: a glass of perfectly spoiled orange juice served by Lily, who must always taste it first to make sure it's just right. As her mother becomes increasingly unhinged, Lily starts to have flashbacks that she knows aren't her own. Over a sweltering London summer, all semblance of civility and propriety is lost, as Lily begins to unravel the harrowing history that has always cast a shadow on her mother. The horrifying secrets she uncovers will shake her family to its core, culminating in a shattering revelation that will finally set Lily free. Beautiful and shocking, *Bad Fruit* is as compulsive as it is thought-provoking, as nuanced as it is explosive. A masterful

exploration of mothers and daughters, inherited trauma and the race to break its devastating cycle, *Bad Fruit* will leave readers breathlessly questioning their own notions of femininity, race and redemption.
