CDL Test Practice Questions and Answers Ryan Steve 2018-03-21 This book was written to give test takers the opportunity of mock test before the exams. It is an opportunity to test your knowledge and preparedness for the exam. The book is divided into eight chapters, each chapter consists of 50 questions dealing with a unique test section. i.e. Pre-trip inspection test questions General knowledge test questions Air brake test questions Combination vehicle test questions Double and triple vehicle test questions HAZMAT test questions Tank vehicles test questions Passengers and school bus test questions The chapters are further subdivided into sections of ten questions each. Test takers are expected to answer the questions in each section, at the end of the section look up your answers at the base of the section to see how many answers you got wrong or right. Repeat the same procedure for other sections till you are done with the 400 questions in this book
