Church Administration Dag Heward-Mills 2015  
Practical solutions to the challenges of church administration are clearly outlined in this phenomenal new book by Dag Heward-Mills.

**Witchcraft, Demons and Deliverance** Claudia Währisch-Oblau 2015 Beliefs in witchcraft and demons still shape many societies and seem to be increasing rather than disappearing with modernization and urbanization. Witch hunts in Africa and Asia show the scope of the problem. The deliverance practices of pentecostal and charismatic churches are widely controversial and their effects are rather ambiguous. The contributions in this volume, written by experts and practitioners from four continents, analyze these phenomena from the perspectives of intercultural theology, anthropology, and ethnology, and also describe the responses of Catholic and Protestant churches. (Series: Contributions to Mission Science / Intercultural Theology // Beitrage zur Missionswissenschaft / Interkulturellen Theologie - Vol. 32) [Subject: Anthropology, Ethnology, Sociology, Religious Studies]

Catch the Anointing Dag Heward-Mills  
2008-12-10 This exceptional book by Dag Heward-Mills will teach you what it means to catch the anointing and how you can be anointed for ministry. Learn how to catch the anointing for the work of the ministry. This book is a must for every minister.

Sacripower Dr. Benjamin Dadebo 2012-05-17 All power belongs to God, and by His discretion power may be given to one individual or the other for use. Even Satanic powers are subject

to control by the Almighty God. The power to change circumstances belongs to God. This book will show you how by humility and sacrifice power can be made available for your use. Indeed without sacrifice genuine, sustainable power cannot be acquired. This book also describes how power for financial prosperity is released through tithing. In addition, the power over demonic control is only achievable through the synergistic effect of fasting and prayer. The whole purpose of our existence on Earth therefore is for a selection process for those to rule with Christ in His Kingdom. It is therefore important that you go through trials and afflictions which together work in you to break you down, converting pride into humility, generating patience, temperance, enhanced faith, trust in God, and true love. At the end of it, power is released into your hands, which enables you to acquire a position on a throne with Christ Jesus to rule over nations or tribes, depending on the level set for you according to the original purpose of God for your life.

Those Who Are Ignorant Dag Heward-Mills  
2015-08 Some are born leaders. Some develop into leaders. In this classic book, Bishop Dag Heward-Mills teaches on how this ingredient of loyalty consolidates a leader's performance.

Your readiness to serve the Lord depends on your preparation! Note that we even need to prepare to meet God! *Remembrance* Dag Heward-Mills 2008-08-27 According to Bishop Dag Heward-Mills the ability to remember is probably the single most important quality for a minister. It is also very important for every Christian to remember what Christ has done for them. "When the children of Israel were coming out of Egypt, remembrance was one thing God wanted them to have. He wanted them to remember how bad things had been there. In their prosperity, He wanted them

to remember the Lord God. God knew what would happen if they forget these important things," says Heward-Mills. In this book you can read about why you should remember, what happens if you forget the important things and why people make the big mistake to forget. The Bishop says that if you forget it can lead to pride, disobedience, divorce, rebellion, takes away compassion and that you shouldn't let success make you forget. One of the chapters of Remembrance also takes a look at how the passage of time can make you forget. It is very important to recognize the hand of God, the man God uses and to understand why God blesses, in order not to forget.
