Azores Miguel Moniz 1999 This

bibliography is a collection of primarily English-language sources, including abstracts for approximately 800 books, journal articles, and theses covering a wide variety of topics about the nine islands of the Azores. Moniz, an anthropologist who has taught at Brown University, introduces researchers to the islands' history, politics, literature, culture, natural features, and far-flung migration patterns. The entries are organized topically into sections such as oceanography and meteorology, travelers' accounts, whaling, religion, cuisine, and education.

2010 When troubled teen

Elisha wakes up in a strange

bed with a sore head and

bandaged wrists she has no

way of knowing just how far

from home she really is. Having

been transported to a strange

school in a distant land without

her knowledge or consent, she

struggles to understand this

place that has become her new

home. Making friends and learning lessons isn't the difficult part however, rather it is coming to terms with the ghostly apparitions that infest the grounds that proves to be the real challenge. Could the school be haunted or is there another even stranger explanation for what is going on around them? And just how could the love of Elisha's life turn out to be a man who died centuries before she was even born? Find out what lies on the other side of the mirror in this superb novel that mixes drama with science-fiction and ghost-stories.
