A User's Guide to the Voice Screen Reader Alistair D. N. Edwards 1988

The Internet University Daniel Quinn Mills 1998 Welcome to college via the Internet. Because of the tremendous growth of education on the Internet, students can now experience the college dream through cyberspace and put together all or part of their college education in many fields with few or even no visits to any campus. The academic resources of the world are delivered to their front door through modem or network.
