**World Music Pedagogy, Volume II: Elementary Music Education** J.

Christopher Roberts 2018-04-09 World Music Pedagogy, Volume II: Elementary Music Education delves into the theory and practices of World Music Pedagogy with children in grades 1-6 (ages 6-12). It specifically addresses how World Music Pedagogy applies to the characteristic learning needs of elementary school children: this stage of a child's development—when minds are opening up to broader perspectives on the world—presents opportunities to develop meaningful multicultural understanding alongside musical knowledge and skills that can last a lifetime. This book is not simply a collection of case studies but rather one that offers theory and practical ideas for teaching world music to children. Classroom scenarios, along with teaching and learning experiences, are presented within the frame of World Music Pedagogy. Ethnomusicological issues of authenticity, representation, and context are addressed and illustrated, supporting the ultimate goal of helping children better understand their world through music.

Stories of the Children's Songbook: How the Primary Songs Came to Be

Patricia Kelsey Graham 2023-07-10 Since the meeting of the first Primary, poets and composers have shared their talents to create songs for Latter-day Saint children. This impressive volume about the making of the Children's Songbook includes a variety of sources and stories not available to the public. Discover the miracles and memories behind the songs you love in this valuable and inspiring book.

Integrating Music Into the Elementary Classroom William M. Anderson

2001 This market-leading text is comprehensive, covering music fundamentals as well as materials and methods. Easy-to-use techniques for teaching singing, playing instruments, moving to music, creating music, listening to music, and studying music are included. The study of music is taught using a multicultural perspective, and the authors relate music to the arts and other subject areas. Lesson plans are provided for kindergarten through grade six, along with more than 160 songs selected from various cultures and historical periods.
