Profiles of American Colleges with CD-ROM

Barron's Educational Series, 2002-07-12

America's definitive guide to all accredited four-year colleges and universities has been updated with the latest information, figures, and fees.

More than 1,650 schools are profiled with details on admission requirements, academic programs, tuitions and other fees, sources of available financial aid, library facilities, computer

facilities, descriptions of campus environments, athletic facilities, extracurricular activities, e-mail addresses, fax numbers, web sites, and more. Each school receives Barron's exclusive academic rating system, which advises students on its degree of academic competitiveness-from "Noncompetitive" to "Most Competitive." Also included on tinted pages for quick reference is a complete index of college majors, listed in chart form and including every major offered by every college. A CD-ROM enclosed with each copy of the book can be used for both Windows and Mac operating systems. It is set up in an interactive format, allowing students to ask specific questions about individual schools.

Excerpta Medica 1990 Six issues per volume.
