The iPINIONS Journal Anthony Livingston Hall
2019-02-27 Current Events Hall takes aim at the
global events of 2018 with a unique and
refreshing perspective. Topics in this volume
include the following: • President Trump
displaying brazen hypocrisies—“Complaining
about Trump’s hypocrisy is like complaining
about a prostitute’s promiscuity.” • The Catholic
Church covering up sins of pedophile
priests—“These putative men of God cannot
believe God exists. They must reason that, if he
did, he would have stopped priests from
systematically abusing children long ago. After
all, what God would allow a criminal sex cult to
flourish as a holy church in his name?” • Tiger

Woods failing to win another major—“Tiger is becoming to PGA players what Hugh Hefner became to LA players: the most popular guy in the game who everyone knows can’t do it anymore.” • Caribbean leaders condemning “shithole” Trump—“Haitian migrants pose a heavy, unsustainable burden for the relatively small and poor countries of the Caribbean. This explains why, even though none have called Haiti a shithole, some Caribbean leaders have treated Haitians like shit.” • Meryl Streep hailing Harvey Weinstein as “God”—“That she said this is as much an indication of how far Weinstein has fallen from grace as it is an indictment of how much even Streep was beholding to his power and influence.” • Europeans doing more than Africans to solve Africa’s migrant crisis—“Only a symbiosis of European colonial guilt and African umbilical dependence explains why.” • Research showing the health benefits of bread—“No less an authority than the Bible decreed that bread and

water are the staff of life. Which is why I hereby curse Atkins and his spawn of ketogenic false prophets in the name of God.” • Trump continuing bromance with Putin despite bipartisan criticism—“Trump is behaving like a teenage girl who was reprimanded by her parents for sneaking out for a booty call with a notorious bad boy. And she responds by sneaking that bad boy into her bedroom . . . and ends up pregnant.”

Theological Works: The heavenly arcana disclosed ... which are in Genesis ([v. 1-11]) [and] in Exodus ([v. 12-19]) Emanuel Swedenborg 1907

Keeping a Finger on the Button Rebecca C. Lubot 2025-11-21 Drawing on unmined archives and original interviews, Rebecca Lubot tells the story of how US lawmakers grappled with issues over presidential succession and inability and vice-presidential vacancy and ultimately ratified

the Twenty-Fifth Amendment. She argues that nuclear anxiety played a crucial role in the development of the amendment and its aftereffects, showing how politics and culture reflected this anxiety, and multiple administrations intensified it. She also offers solutions to the amendment's gaps. As the threat of accident, miscalculation, or madness looms, never has a book on the intersection of presidential continuity and the nuclear age been more necessary.

Fire and Fury Michael Wolff 2018-01-05 #1

New York Times Bestseller With extraordinary access to the West Wing, Michael Wolff reveals what happened behind-the-scenes in the first nine months of the most controversial

presidency of our time in Fire and Fury: Inside the Trump White House. Since Donald Trump was sworn in as the 45th President of the United States, the country—and the world—has witnessed a stormy, outrageous, and absolutely mesmerizing presidential term that reflects the volatility and fierceness of the man elected Commander-in-Chief. This riveting and explosive account of Trump's administration provides a wealth of new details about the chaos in the Oval Office, including: -- What President Trump's staff really thinks of him -- What inspired Trump to claim he was wire-tapped by President Obama -- Why FBI director James Comey was really fired - - Why chief strategist Steve Bannon and Trump's son-in-law Jared Kushner couldn't be in the same room -- Who is really directing the Trump administration's strategy in the wake of Bannon's firing -- What the secret to communicating with Trump is -- What the Trump administration has in common with the movie The Producers Never before in history has a

presidency so divided the American people. Brilliantly reported and astoundingly fresh, *Fire and Fury* shows us how and why Donald Trump has become the king of discord and disunion. “Essential reading.”—Michael D’Antonio, author of *Never Enough: Donald Trump and the Pursuit of Success*, CNN.com “Not since Harry Potter has a new book caught fire in this way...[*Fire and Fury*] is indeed a significant achievement, which deserves much of the attention it has received.”—*The Economist*
