Life and Labour of the People in London Charles Booth 1903
Living More with Less, 30th Anniversary Edition Doris Longacre 2010-11
In 1980, before living simply and "green" became trendy and popular, Doris Janzen Longacre, author of the enormously popular *More-with-Less Cookbook* (over 900,000 sold), wrote *Living More with Less*, a practical guide for living in simple, sustainable, and healthy ways—ways that keep the future of the planet, and the plight of poor people, in mind. Thirty years later, *Living More with Less 30th Anniversary Edition* is being released as a way to celebrate and honor Longacre's foresight and vision, and to pass on her vision for simple and sustainable living to a new generation. Revised and updated by Valerie Weaver-Zercher, this 30th anniversary edition is true to author Doris' spirit of living in ways that keeps poor people, God's creation and each other in mind—and is loaded with new and practical tips in areas such as money, travel, clothing, housing, celebrations and recreation. "*Living More with Less 30th Anniversary Edition* collects the wisdom and experience of those who live with less than a consumer culture says we need. With stories, reflections, and advice from people around the world who are making changes to their daily habits in response to climate change and global poverty, *Living More with Less 30th Anniversary Edition* is a vibrant collection of testimonies, old and new, of those who are discovering the joy of living with enough." —Valerie Weaver-Zercher, editor Check out the article "*Living More with Less: An Idea Whose Time Has Come Again*" at Publishers Weekly Endorsements "This book was decades ahead of its time, and is just as relevant today as it was thirty years ago . . . It is like a cookbook for life." —Shane Claiborne, author of *The Irresistible Revolution*, speaker, and activist "This message is even more important than it was thirty years ago . . . Herein lies sound advice for living sensibly." —Bill McKibben, author *Eaarth: Making a Life on a Tough New*

Planet "This timely revised and updated edition is exceptionally wise, urgently necessary for the sake of saving our planet, pertinently and personally practical . . . Who could not but rave about this book!" —Marva Dawn, author of *Unfettered Hope; Being Well When We're Ill; and Keeping the Sabbath Wholly* "*Living More with Less* is about a way of living rooted in the Christian faith . . . Our planet is groaning and we desperately need the kind of thoughtful essays and tips in this book to show us the way forward." —Ron Sider, founder and president of Evangelicals for Social Action Read the complete list of endorsements Click here for more about *Living More with Less*, including sample tips & ideas, additional resources and more. More-with-Less Cookbook Doris Janzen Longacre 2003-09-26 This is a new edition of Herald Press's all-time best-selling cookbook, helping thousands of families establish a climate of joy and concern for others at

mealtime. The late author's introductory chapters have been edited and revised for today's cooks. Statistics and nutritional information have been updated to reflect current American and Canadian eating habits, health issues, and diet guidelines. The new U.S. food chart "My Plate" was slipped in at the last minute and placed alongside Canada's Food Guide. But the message has changed little from the one that Doris Janzen Longacre promoted in 1976, when the first edition of this cookbook was released. In many ways she was ahead of her time in advocating for people to eat more whole grains and more vegetables and fruits, with less meat, saturated fat, and sugars. This book is part of the World Community Cookbook series that is published in cooperation with Mennonite Central Committee, a worldwide ministry of relief, development, and peace. "Mennonites are widely recognized as good cooks. But Mennonites are also a people who care about the world's hungry."—Doris Janzen Longacre
