*The Tarot Court Cards* Kate Warwick-Smith 2003-05-05 A detailed interpretive guide to the 16 "face" cards of the tarot that reveals their core identities and special purpose in a person's life. \* The first tarot book to focus exclusively on the court cards. \* Shows how the "face" cards can clearly and accurately reveal the specific nature of the support-based relationships in one's life. \* Includes tarot spreads and potent techniques for contacting these powerful archetypes through meditation and pathworking. The Tarot Court Cards gives fresh meaning to the 16 "face" cards of the tarot--the King, Queen, Knight, and Page. In contrast to the idiosyncratic and confusing interpretations that are presented in many tarot books, Kate Warwick-Smith shows how these cards embody archetypal patterns of relationship that offer greater enlightenment than ever before. Using the Kabbalah, she reveals the core identities of the Minor Arcana's court cards and their special purposes as supporters, detractors, inner resources, and challenges in our inner and outer life. She shows how the court cards can be used to identify your true tribe or clan--the specific people who support you in unique ways, such as your mentor, champion, protector, or healer. She also shows how the court cards can help you identify your inner resources and challenges--insight, discipline, passion, or greed--that enhance or hinder your efforts in the world. Using both new and traditional interpretations, the book also presents new tarot spreads and potent methods for contacting these powerful archetypes through meditation and pathworking. Both seasoned tarot readers and newcomers will find this book helps them achieve practical and insightful results.

The Angels' Message to Humanity presents a radical, new system of 88 graded paths based on mandalas created from the five Enochian tablets. The revised pathworking rituals in The Angels' Message to Humanity allow a magician to fully explore the Enochian system of magick, alone or with others. Explore alternative methods of skrying and ritually working with the Watchtowers. Build the Enochian Cube as a powerful, three-dimensional model of the magickal universe through advanced pathworking rituals. Geared to the intermediate or advanced magickal student, this book is divided into easy-to-read text and endnotes containing helpful references and technical information, as well as 121 illustrations and 8 color plates.

*Through The Force of The Spirit* Eric Mayo 2015 This book will challenge long held certainties and beliefs. It tells of the origins, evolutionary journey and eventual destiny of the spiritual energy that is found within all forms of life and throughout the cosmos. How does that energy manifest within us and other life forms? Does it survive the death of the mortal shell? Is Gaia Theory correct and our planet is, indeed, a living entity? Does our destiny lie beyond our solar system? This book lays the foundation for a spiritual quest as it examines these ideas and leads the reader towards the goal of cosmic consciousness. Reading these pages will energise your spiritual mind and enable you to walk towards the light of a true spiritual awakening.

**Magical States of Consciousness** Melita Denning 2012-08-08 The groundbreaking guide to Qabalistic Pathworking, available once again. Pathworking is one of the most powerful techniques employed in the practical Qabalah, the core of the Western Esoteric Tradition. Llewellyn is pleased to bring back—by popular demand— Magical States of Consciousness, the classic text by renowned magicians Osborne Phillips and the late Melita Denning that first made the practice of pathworking widely available. Revealed here are the methods by which deep dimensions of the human psyche may be reached—dimensions that give you access to profound knowledge and the power of creation. Ascend the Tree of Life to enter the Sphere of Tiphareth, the seat of the Higher Self. Train your mind and imagination, enhance your physical and emotional health, gain knowledge and spiritual initiation, experience adventure and self-empowerment—all through Qabalistic pathworking. Designed for both the beginner and the established mage, this sought-after book includes the complete narrative texts for the inward journeys of classic pathworking. Plus, mandalas are included that serve as gateways to altered states of consciousness and magical images of the Sephirothic archetypes—the sources of mystical power which exist not only cosmically but in the depths of each person's own being.
