"The Kingdom of God is at Hand" Rolf J. Pöhler 2025-08-28 "The Kingdom of God is at Hand" - Adventist Interpretations of Biblical Apocalypticism offers nineteen papers presented at the 4th International Symposium of the Institute of Adventist Studies at Friedensau Adventist University, Germany, April 26-29, 2021. The contributions represent current Adventist scholarship from four continents: Europe, North America, Africa, and Australia. Well versed in their fields and knowledgeable about their subjects, the authors are dealing with Christian apocalypticism from biblical, historical, theological, and practical perspectives. Originating from the 19th-century Millerite movement, Seventh-day Adventism is deeply affected by apocalyptic thinking. By

looking at the Adventist faith tradition from a scholarly point of view, this volume hopes to contribute to an apt assessment of apocalyptic eschatology.

Of the Times and Seasons Kevin Straub

2017-07-31 Four forty-year generations have entirely passed since 1844. Each one has failed to take hold of the high calling of being in possession of the third angel's message—the “last message of mercy” for a dying world. The delay in the return of Christ must not be charged to God's account, as though He is waiting for some celestial time clock to reach a pre-determined mark. Although God knows the day and the hour, He has been waiting for us. As we look around us at the rapid deterioration of our planet and witness the increasing fulfilment of the signs of His appearing, we get a deep sense that we are getting very close to the end, perhaps even now entering into the time Jesus spoke of as “the beginning of sorrows.” Are we—the first generation of a new cycle of four—that generation that will see the close of probation, the time of trouble, and the return of Christ? Are there any Bible and Spirit of

Prophecy evidences that point to it? Read the first section of this book! In the second section, we take a panoramic view of the history of the movement, giving an understanding of the causes of the long detour into the wilderness travelled by the professed people of God. The prophet Joel points to a story that must be told—a story of the wasting of four generations (Joel 1:2-4). It is important that we hear this story. If we do not know our history as it is, we will continue to perpetuate its mistakes. The message of this book is an alarm clock set to arouse God's people in the final moments of earth's history. It is sure to shake the reader. Accept it or reject it—you won't be able to ignore it!

Minutes of the Annual Conferences of the Methodist Episcopal Church 1911

To the Law and to the Testimony 2012 In this series Pastor Bohr deals with hot button issues in contemporary Adventism including, lessons to be learned from the pantheistic crisis in the

early 20th century, the holy flesh fanaticism, and the role of the spirit of prophecy in the remnant church. Also he deals with the identity and function of the 24 Elders in the governance of heavenly society. Steve Wohlberg presents a fascinating series on the righteousness by faith message at the Minneapolis general conference session of 1888. Dr. Teske presents a series about our character, our conscience, and our choices, explaining how everything that makes us what we are and determines our destiny takes place within the several billion neurons that make up our brains. Learn how changes can take place in the circuits of the brain, and how there is huge potential for change that exists within the mind.

Bible Prophecy - Last Train to Heaven P.B. Stone 2015-09-16 We are at the dawn of Christ's glorious return. Yet, Christian Churches ignore the fact of the tribulation, even though the Signs of the End of the Age point to His coming. The Bible story is half told. Christ is coming for His

Bride, yet most Churches are deceived and apathetic. Do you know that it is an historical fact that Christianity was wedded to paganism? Furthermore, why aren't we told the identity of the man with the number 666? The Last Train to Heaven is a call to repentance; it provides a time line of prophetic events based in Scripture. An invitation is extended to all to get on board.

Reflections on Women's Ordination Stephen Bohr 2015-05-07 "The church may appear as about to fall, but it does not fall. It remains, while the sinners in Zion will be sifted out—the chaff separated from the precious wheat. This is a terrible ordeal, but nevertheless must take place. . . . The remnant that purify their souls by obeying the truth gather strength from the trying process, exhibiting the beauty of holiness amid the surrounding apostasy" (Ellen G. White Letter 55, Dec. 8, 1886, written from Basel, Switzerland to G. I. Butler and S. N. Haskell). Dear reader, does the prophetic guidance just quoted strike you as being just a tad scary? If

you have been paying close attention lately, a movement has been steadily, but stealthily, building over the past several years and is now dangerously close to reaching groundswell proportions in the North American Division and beyond. This movement would accomplish the objective of ordaining women as full-fledged ministers of the Gospel. Are you concerned? Is there anything you could or should do about it? Before you answer, please take the time to read through this little book.

Shadow Play Stephen Bohr 2022-09-08 This book covers the entrance of sin into the world and how mankind lost their God-given robe of light and righteousness and became spiritually naked. But, as soon as man sinned, the plan of salvation that had been conceived since "the foundation of the world" was put into effect. God had Adam see for himself what sin costs by killing innocent lambs to make skins to cover

their nakedness instead of the fig leaf garments they had made for themselves, thus showing that we have no power to clothe our nakedness of sin and only the death of Christ, the Lamb, can do so. Pastor Bohr also discusses how sin is the cause of all the psychological and marital problems in the world today, because Adam and Eve experienced fear, shame, and guilt and were shifting the blame for their sin. He shares how the glorious promise of Genesis 3:15 gave them hope that a Seed would come Who would destroy the serpent, but would have to suffer in doing so. But there would be a long struggle coming, that began with the loss of Abel, as satan tried to prevent the Seed from coming, and, having failed to do that, Revelation 12 expands Genesis 3:15 and shows how the serpent's fight will continue to the end against those God is saving, purifying and preparing to take home with Him. Genesis 3:15 is the seed code for the rest of the Bible and its history of the struggle between the woman, her Seed, and the remnant of her seed

against the devil and his seed.

The Appointed Time Zachary D. Ball
2024-07-23 The book of Daniel is a difficult study for even the eager Bible student, but its importance to the evangelical church is indisputable, especially regarding eschatology. Many times, its content is randomly selected to formulate man-made narratives about the end-times that create confusion and misinformation in the church. How to read Daniel is essential for understanding its theological power, especially its predictive prophecy. This project will demonstrate its past fulfillments, its influence on Jesus' first century attempts to save Israel, and how it has been manipulated to assert false eschatological predictions. Understanding Daniel's appointed time is crucial to its message.

Futurism's Incredible Journey Stephen Bohr
2022-11-02 By means of a secret rapture, millions of Christians will suddenly vanish. Snatched up to heaven to meet Christ in the clouds, they will not have to face the trials that are to come upon the earth. This disappearing act ushers in the seven-year tribulation. For the first three-and-one-half years, human conditions gradually deteriorate. Meanwhile, political and military power shifts to a European confederacy led by the Antichrist. This strong man miraculously survives a head wound and gains unprecedented power. At a point of crisis, he orchestrates a seven-year peace treaty in the Middle East. However, the Antichrist, who bears Satan's mark-666-then demonstrates his true nature. About midway through the tribulation, he and his assistant, the false prophet, terrorize the world and compel everyone to bear the mark 666 on their hands or forehead. This scenario does not come from some fictional novel. It is the fundamental prophetic belief system of millions

of Christians who claim to believe in Bible inerrancy. Though it appears bizarre, it is proclaimed as gospel truth by thousands of Protestant ministers and Bible teachers around the world. Where does this sensational prophetic scenario come from? Is it firmly based on the testimony of the Holy Scriptures? Has it always been believed by the Christian church? Is this really what the final conflict will look like, or is Protestantism setting itself up for an overmastering delusion? Keep reading ... because what you don't know can hurt you!

Minutes Taken at the Several Annual Conferences of the Methodist Episcopal Church in the United States of America

Methodist Episcopal Church. Conferences 1898
The Reficul Parallax David Heaukulani
 2010-05-03 It is 2003. George Bush has just appeared aboard a Navy carrier flashing a Mission Accomplished banner. In England, a Wicca coven warns British Intelligence of a prophecy to assassinate a future US president. It

is to be carried out by Ramses, the son of the Anti-Christ. British MI-5 notifies the CIA. The CIA enlists the Hawaii Attorney General because Ramses was last known to be in Hawaii. Hawaii authorities discover that there is more to the prophecy besides a potential assassination. If the assassination is carried out, it will lead to the start of Armageddon. To prevent the fulfillment of the prophecy, Ramses must be reunited with the Anti-Christ in ancient Babylon, now modern-day Iraq. The Bible believing Lieutenant Governor of Hawaii sees this as another piece of evidence of the approaching End-Times. He recruits Honolulu narcotics detective Jake Cohen-Garcia, a former Navy SEAL. Jake is the ideal Anti-Christ bounty hunter because of his born again Christian reputation and his unique Jewish-Hispanic DNA. Jakes DNA heritage matches up perfectly with links connected to the Wicca prophecy. Jake is teamed up with two investigators and a certified exorcist priest. They form a unique investigative unit: The God Squad.

The squads mission is to locate Ramses and short-circuit the prophecy of Armageddon. The mission takes the squad into the bizarre world of the occult and quantum mechanics that challenges their faith, their strength, and their sanity. The battles with the paranormal compound, Cohen-Garcias struggle with his personal demons and split personality. It threatens to destroy his faith, along with his family, as it propels him toward his own destruction. In the end, Jakes salvation comes from an up-close and personal confrontation with Ramses, a holy man from another world. The salvation of the world hangs in the balance.

Hidden Sabbath Truths Stephen Bohr 2008-01-01 Popular Bible teacher Pastor Stephen Bohr reexamines the Sabbath day in a brand-new light, bringing a fresh, exhilarating, and biblical perspective that will reignite your passion for God's holy day. It's also a powerful sharing tool that connects the Sabbath with Christ's work of redemption and to the creation

of the new heavens and new earth, drawing other believers in a way that will fascinate and convict them of this vital Bible truth.

The Bible Or Tradition Stephen Bohr 2014 In this series Pastor Stephen Bohr compares the Jewish view of tradition of Christ's day with the Roman Catholic view of tradition today. This series reveals that the Jewish leaders rejected Jesus as their Messiah because of their erroneous view of tradition. The Roman Catholic concept of tradition today mirrors the view that was being taught in Christ's day. Weill the Christian churches of the world repeat the same mistakes of the past and be totally unprepared for the Messiah's second coming? A must see serie for those who believe in Sola Scriptura. *Taken Or Left?* Stephen P. Bohr 2009-08-13 Two men in the field. One is taken ...the other left. In Matthew 24, Jesus Christ reveals who the lost and the saved will be at the end of time. But what did He mean when He said that some would be taken--and some would be left? For

ages prophecy teachers have offered contradictory explanations of this enigmatic passage. The popular rapture theory, for instance, says that those who are left are the unbelievers. Others say differently. But how can we know if one position or another is truly supported by Scripture? Typically, this debate centers exclusively on the context of the passage, yet in this case, context alone can be twisted any number of ways. That's why in this timely study, theologian Stephen Bohr approaches the issue by walking through both the Old and New Testaments to examine how the people in Jesus' time and throughout the Bible would have understood these terms. Step by step, he builds an ironclad case that will carry you to a carefully researched conclusion that you can trust--giving you a powerful foundation that will help open up Bible prophecy to you like never before.
