The Suffrage Annual and Women's Who's who 1913

Madame Récamier, from the French of Édouard Herriot Édouard Herriot 1906

Juliette Society Sasha Grey 2013-09-17 "Juliette Society" er som "Fight Club" i en svært seksualisert verden. Dette er ikke en bok du kjøper sammen med moren din. Eller til moren din for den saks skyld. For dette er ikke "Fifty Shades of Grey". På ingen måte. Språket er råere. Sexen er råere. Makten er råere. Høres det farlig ut? Ligg unna. Høres det forlokkende ut? Les! Catherine er en ung, smart og ambisiøs fi lmstudent. Hun lever et nokså vanlig liv i et stabilt parforhold, hvor hun er den seksuelt utprøvende. Hun begynner å henge med sin mer utagerende venninne Anna. Snart blir Catherine dratt inn i Juliette Society, en hemmelig sexklubb. Her møtes verdens mest innflytelsesrike mennesker for å utforske sine innerste, ofte mørkeste seksuelle fantasier. Møtet med medlemmer av denne klubben åpner opp nye veier til nytelse for Catherine, men det truer også med å ødelegge alt som betyr noe for henne.

The Janus Chamber Sasha Grey 2016-11-17 A few years have passed since Catherine's time in the The Juliette Society, but things haven't been going the way she planned. Her life with her fiancé Jack has become predictable and boring, especially in the bedroom. Now working as a journalist, she struggles to find inspiration in her work or at home - until she starts writing about the death of a publicly beloved model, Inana Luna, whose experiences reflect Catherine's own blossoming sexuality and independence. What started as a routine story quickly becomes Catherine's obsession as she follows the tale of a woman whose tracks take her down a road with too many familiar facets: a fascination with kink, lustful men, and some very sexy intrigue. Like the Roman god Janus, Catherine is simultaneously looking to the past and the future. Can her experiences with The Juliette Society, along with Inana's diary, help her figure out what she really wants in life, love, and sex?

Or will the story drag her back down into a tantalizing world from which she might not be able to escape a second time?

Juliette Society Sasha Grey 2013-08-01 Se eu te contasse que existe um clube secreto, cujos membros pertencem à classe mais poderosa da sociedade banqueiros, milionários, magnatas da mídia, CEOs, advogados, autoridades, traficantes de armas, militares condecorados, políticos, oficiais do governo e até mesmo o alto clero da Igreja Católica, você acreditaria? Este clube se reúne sem regularidade, em um local secreto. Às vezes em locais distantes e às vezes escondidos. Mas jamais duas vezes no mesmo lugar. Normalmente, nem mesmo duas vezes no mesmo fuso horário. E esses encontros, essas pessoas... não vamos enrolar, vamos chamá-las do que são, os Mestres do Universo. Ou o Braço

Executivo do Sistema Solar. Então, essas pessoas, os Executivos, usam os encontros como uma válvula de escape do cansativo e estressante negócio de estragar ainda mais o mundo e criar novas maneiras sádicas e diabólicas de torturar, escravizar e empobrecer a população. E o que eles fazem em seu tempo livre, quando querem relaxar? Deveria ser óbvio. Eles fazem sexo.

The Mismade Girl Sasha Grey 2018-05-10 The pendulum has shifted in Catherine's life once again. Four years after peeling back the curtain on *The Janus Chamber*, we find her now ironically working as a political journalist, settled into a mundane routine and dating life because she chose to tell the truth about Inana Luna instead of embracing a life of decadence with *The Juliette Society*. Meeting a man who reignites her passion for cinema and guilt-free sex makes her realize what she's been missing, but an unwanted scandal douses the flame. Forced to lay low, she finds an opportunity to take back her career with a human interest story in Honduras, but there are people who see Catherine's article as a threat and will do everything they can to stop her from writing. The world she finds is unlike anything she's ever seen. Catherine is *The Mismade Girl*, and as her life is turned upside down, she must choose to either perish . . . or be remade anew.

Love Conquers Pride; or, Where Peace Dwelt

Alex. McVeigh Mrs. Miller 2022-08-21 In "Love Conquers Pride; or, Where Peace Dwelt," Alex. McVeigh Mrs. Miller presents a poignant exploration of societal norms through a narrative that intricately weaves the themes of love, honor, and the complexities of human relationships. Set against a backdrop of 19th-century America, the novel employs a romantic yet unvarnished literary style, echoing the realism of its time while subtly critiquing the rigid class structures and moral dilemmas that define interpersonal connections. As the

characters negotiate their desires with societal expectations, the prose resonates with emotional depth, revealing the transformative power of compassion in overcoming prejudice and strife. Alex. McVeigh Mrs. Miller, a notable figure in the American literary scene, often focused on women's rights and social justice. Her historical context as a woman writer in a male-dominated era profoundly influenced her perspectives. Miller's personal experiences with societal constraints fueled her creative drive, leading her to craft narratives that challenge conventions and advocate for personal and social reform, particularly in the realm of romantic choices. This book is highly recommended for readers seeking a thoughtful examination of the intersection between love and societal expectations. "Love Conquers Pride" promises to engage those who appreciate richly layered narratives that question the boundaries of decorum and the essence of true connection, making it a significant addition to any literary collection.
