**Girls on Fire** Sarah Hentges 2018-04-04 Under the threat of climate change, corruption, inequality and injustice, Americans may feel they are living in a dystopian novel come to life. Like many American narratives, dystopian stories often focus on males as the agents of social change. With a focus on the intersections of race, gender, class, sexuality and power, the author analyzes the themes, issues and characters in young adult (YA) dystopian fiction featuring female protagonists--the Girls on Fire who inspire progressive transformation for the future.
