The Traveler's Gift Andy Andrews 2005-04-30 A New York Times bestseller with over 1.3 million copies sold! Only a few months ago, he was a successful executive. Now he's a desperate man. Join David Ponder on an incredible journey to discover the Seven Decisions for success that can turn any life around, no matter how hopeless a situation seems. Forty-six-year-old David Ponder feels like a total failure. Once a high-flying executive in a Fortune 500 company, he now works a part-time, minimum wage job and struggles to support his family. Suddenly an even greater crisis hits: his daughter becomes ill, and he can't even afford to get her the medical help she needs. When David's car skids on an icy road, he wonders if he even cares to survive the crash. But an extraordinary experience awaits David Ponder. He

suddenly finds himself traveling back in time, meeting leaders and heroes at crucial moments in their lives—from Abraham Lincoln to Anne Frank. As David speaks with each of these historical figures, they share their personal philosophies with him. By the time his journey is over, he has received seven secrets for success—and a second chance. Among these crucial decisions for success are: The buck stops here, and I am responsible for my past and my future I will seek wisdom and be a servant to others I will greet this day with a forgiving spirit, and I will forgive myself Today I will choose to be happy and be the possessor of a grateful spirit The message is simple: Life is about choices. While we have little control over the events that occur in our lives, success is determined by the choices we make daily. The Traveler's Gift will challenge you, inspire

you, and give you seven decisions that you can employ to determine your own personal success. Acclaim for *The Traveler's Gift: Good Morning America's "Read This!"* book selection for May 2003 Hit the New York Times bestseller list and remained there for 17 weeks Reached #5 on the New York Times Business Bestseller list Wall Street Journal, USA Today, and Publisher's Weekly bestseller Translated into nearly 20 languages, including Braille *Charisma and Christian Life* 1995

*LADDER TO GREATNESS-DELUXE EDITION* PRISCILLIA NWANDO ONYEKWELU 2020-08-07 Some people were born great, some genealogically inherited greatness, and some human beings right from the wombs had the predestinations of greatness upon their lives. But there are these peculiar sorts

of humans who clambered the Ladder to Greatness by their own painstaking and indomitable efforts. This inspirational book, *Ladder To Greatness*, will titillate your mind, until you propel your way to the acme of Greatness!

*Conquering an Enemy Called Average* John L. Mason 2015-05-22 Best-selling author John Mason again launches an all-out attack on mediocrity with this sequel to his phenomenally popular book *An Enemy Called Average*. Divided into 52 "nuggets" of truth, *Conquering An Enemy Called Average* is a source of godly wisdom, scriptural motivation and practical principles. The words of this book will break down the barriers to excellence in your life and release you to be all that God created you to be. Think about it... Imitation is limitation. Procrastination is the fertilizer that makes difficulties grow. Living a double life will get you nowhere twice as fast. If you chase two rabbits, both will escape. Adversity has advantages. Know your limits,

then ignore them. The only place to start is where you are. There is no future in the past. Do what people say cannot be done. "Take the lid off" of an average lifestyle and live a life of excellence today!
