COMPLEX definition:
composed of many interconnected parts;
compound; composite. See examples of complex used in a sentence. Complex should be used to say that something consists of several parts rather than that it is difficult to understand, analyse, or deal with, which is what complicated inherently means. Her poetry is too complex [= complicated] for my taste. The rules are complexly written. She has a complex about her appearance. In general English, complex refers to something consisting of multiple parts, intricate or not easy to understand or analyze because of its various interconnected elements. Find the latest entertainment news and the best in rap music, pop and internet culture, sneakers, style and streetwear, and sports culture. complex,

complicated, intricate, involved, knotty mean having confusingly interrelated parts. complex suggests the unavoidable result of a necessary combining and does not imply a fault or failure.
