

Continuous Delivery And Docker Amazon S3 Aws

The continuous form of a verb is used to show that the action is continuing. In English, it is formed with the verb "be" followed by a present participle (= the -ing form of a verb): without cessation: continuous coughing during the concert. being in immediate connection or spatial relationship: a continuous series of blasts; a continuous row of warehouses. continual, continuous, constant, incessant, perpetual, perennial mean characterized by continued occurrence or recurrence. continual often implies a close prolonged succession or recurrence. Continuous definition: Uninterrupted in time, sequence, substance, or extent. The adjective continuous describes something that occurs over space or time without interruption. Some computer fans make a continuous noise — a constant buzz — that can drive you to distraction. If something is continuous, it happens all the time without stopping, or seems to do so. For example, if you say 'There was continual rain', you mean that it rained often. Definition of continuous adjective in Oxford Advanced American Dictionary.
