**Give Your Child the World** Jamie C. Martin 2016-06-07 Young children live with awe and wonder as their daily companions. But as they grow, worries often crowd out wonder. Knowing this, how can parents strengthen their kids' love for the world so it sticks around for the long haul? Thankfully, parents have at their fingertips a miracle vaccine--one that can boost their kids'

immunity to the world's distractions. Well-chosen stories connect us with others, even those on the other side of the globe. Build your kids' lives on a story-solid foundation and you'll give them armor to shield themselves from the world's cynicism. You'll give them confidence to persevere in the face of life's conflicts. You'll give them a reservoir of compassion that spills over into a lifetime of love in action. Give Your Child the World features inspiring stories, practical suggestions, and carefully curated reading lists of the best children's literature for each area of the globe. Reading lists are organized by region, country, and age range (ages 4-12). Each listing includes a brief description of the book, its themes, and any content of which parents should be aware. Parents can introduce their children to the world from the comfort of home by simply opening a book together. Give Your Child the World is poised to become a bestselling family reading treasury that promotes literacy, develops a global perspective, and strengthens family bonds while increasing faith and compassion.

The Pool Party Gary Soto 2013-05-29 Rudy Herrera is surprised and excited when he gets an invitation to a pool party. It's from Tiffany Perez, the richest and most popular girl in school. Rudy's grandmother, "El Shorty," thinks he is going off to shoot pool. His sister, Estela, warns him not to make a fool of himself, or worse, embarrass her. Rudy's father teaches him how to make small talk and tells him Tiffany will like him because he's a real person, not a phony. All Rudy cares about is what to wear, what kinds of dives to do, and what to bring Tiffany. When the big day arrives, Rudy is in high spirits. Will he make a big splash at the pool party? From Grandfather "El Shorty" to Little Rudy, the Herreras are a family who not only live and work together, but love and enjoy one another. Gary Soto, poet and storyteller, gives young readers a story of simple pleasures, simply told and simply wonderful.

*The Green Glass Sea* Ellen Klages 2008-05-01 It is 1943, and 11-year-old Dewey Kerrigan is traveling west on a train to live with her scientist father—but no one, not her father nor the military guardians who accompany her, will tell her exactly where he is. When she reaches Los Alamos, New Mexico, she learns why: he's working on a top secret government program. Over the next few years, Dewey gets to know eminent scientists, starts tinkering with her own mechanical projects, becomes friends with a budding artist who is as much of a misfit as she is—and, all the while, has no idea how the Manhattan Project is about to change the world. This book's fresh prose and fascinating subject are like nothing you've read before. Everyone who deals with middle-grade kids — parents, teacher, librarians — is busy answering questions about a movie they have heard so much about, but are too young to see. *Green Glass Sea* will answer their questions and more. *Collections for Young Scholars* 1995
