A Pre-marriage Counselling Handbook Alan Goerz 2004

Our Marriage Resource Handbook Alan Goerz 2000*

The Premarital Counseling Handbook H. Norman Wright 1992-04-09 In any endeavor,

dreams and goals not backed by concrete plans and preparations can result in failure. And marriage is no exception, claims H. Norman Wright. In fact, without solid planning and forethought by engaged couples, we will surely see a continuation of the startling divorce rate among Christians and non-Christians alike. On the other hand, thorough premarital counseling and preparation can result in lifelong marriages that are fulfilling and God honoring. That's where the church comes in. More and more churches are realizing that their responsibility lies not only in pronouncing men and women 'husband and wife,' but also in making sure the proper foundation is laid so that marriages have a better chance of standing strong under pressure. Since its introduction in 1977 as *Premarital Counseling*, this book has been used by literally thousands of churches throughout the country as both a guide and reference tool. Now Dr. Wright has added new material to cover some perplexing issues that have come into

prominence only recently. Among those special concerns are: Interracial marriages Second marriages Marriages of persons from dysfunctional families Writing for both pastors and other premarital counselors, H. Norman Wright sets you at ease about the counseling process, even if you've had only limited counseling experience. As the author of the popular *Before You Say I Do* and numerous other books on marriage, H. Norman Wright documents in *The Premarital Counseling Handbook* methods that have proved successful. These will help insure that the marriages performed in your church will resist the pressures that are destroying today's married couples.

From This Day Forward Michael J Peck
2010-04-15 *From This Day Forward-Preparing Couples for the Journey of a Lifetime* is a premarital counseling manual more than three decades in the making. Working with couples as they begin a new home and family is a great

privilege as well as a great responsibility. What an amazing opportunity the counseling pastor has in preparing the way not only for the couple, but for the generations to come! Use this handbook in addition to the couple's edition in two different ways. First, the counseling pastor who wishes to use this book for his entire pre-marital counseling model may be assured he is preparing well the couple for marriage, home and family. Every area of the pre-marital counseling program is addressed in tests and assignments that are easy to follow, practical and pointedly biblical. Found in their entirety in Chapter 14, these same tests are also repeated section by section in the appropriate counseling sessions. For the counseling pastor, these tests are both uncomplicated and yet sufficiently thorough to aid in the counseling process. Creative and specific biblical counseling will be the outflow of these assignments for the counselor using this handbook as his model. The second way this handbook may be used is to

view the material as being supplemental. For those counseling pastors who already have their counseling models being used, this book contains information, testing and assignments that may be added to counseling programs already in place. A wide margin is used throughout the handbook. This provides ample opportunity for the counseling pastor to add his own notes, scripture references and illustrations. Additional resources make this handbook particularly useful. Three brand new wedding ceremonies are included in Chapter 7, and many suggestions for making the ceremony truly unique are offered in Chapter 8. Additional counseling aids and worksheets are made available in Chapter 13. Whether you are beginning your counseling ministry or even if you have been preparing couples for many years, it is my prayer that this handbook will be helpful to you as a counseling pastor, as well as beneficial to couples who are ready to begin their journey of a life time. The Spirit & the Letter David Wumbei Akonsi (PhD) 'The Spirit & the Letter' discusses the Bible's position on issues of marriage, divorce and remarriage. It also discusses spiritual

marriage, whether it is real or a fairy tale and what the Bible says about spirits and their dealings with man. It further discusses the church's usage of anointing oil, its origin and whether its usage is in line with the Bible. Finally, it deals with issues of witchcraft and why it is an issue for the church to grapple with. The book seeks to correct or suggest actions to be taken to correct erroneous teachings and anomalies that have rather been turned to norms and practices by contemporary church, despite the Bible's clear teaching on the contrary. Its aim is to refer Christians back to the biblical foundation of Christian practice and to effect change in how people view the issues on discussion; and to stimulate further discussion on the matters.

Instead, why not embark on a Do-It-Yourself journey through the foundation of your relationship, and come out the other side having a better understanding of your partner and feeling more comfortable about your future together? Let's get started!
