

Practice Theory Work And Organization An Introduction

practice suggests an act or method followed with regularity and usually through choice. In the UK, 'practice' is a noun (like preparation), but 'practise' is a verb (like to prepare). The difference between practice and practise only affects those following British writing conventions. the action or process of performing or doing something; to put a scheme into practice; the shameful practices of a blackmailer. the exercise or pursuit of a profession or occupation, esp. law or ... 1. a usual or customary action or proceeding: it was his practice to rise at six; he made a practice of stealing stamps. PRACTICE definition: 1. action rather than thought or ideas: 2. used to describe what really happens as opposed to what.... Learn more.
